Ship Dog Michael Danhieux, 2017-07-10 Hello my name is Teddy a k a Streak of Red and I am a Ship Dog not a S K C Sol Kennel Club sanctioned breed yet but one day perhaps in the future Technically I am a Texas Chihuahua but I was born in the gravity section of a space station in orbit of the planet Earth which makes me in principle a Ship Dog My master s name is Jim Roberts the owner operator of the earth spaceship Wanderlust basically a very long haul trucker He delivers cargo to various settlements and colonies in human space We have been together for almost 3 years now for the most part he is a very good master Sometimes is he a bit slow on the uptake but you have to make considerations for their species It s a known fact that they would still be banging on rocks in caves if we hadn t intervened cleaning up their leftovers which help prevent diseases from spreading guarding and protecting them and saying to the poor dense things come on master let s go for a walk and see what s out there It s also a known fact that my kind were the first ones in space Now they re out here too with a vengeance Going here and there and everywhere and of course taking us dogs along with them as pets and companions yeah right On this particular trip my master and I are taking vital machine parts to the new settlement on the metal rich world of Green Nevada A dismal and smelly place which makes my body feel too heavy when were on planet But Jimmy boy has a contract to fulfill and so I must endure as my species has always done This trip to Green Nevada we are taking a different route than the two previous times we had been there Only engaging the interdimensional drive engine three times instead of four The route is shorter but it s also a new and unexplored area of the cosmos What we blunder into when the dimensional drive is turned off and we reenter normal space is both frightening and awe inspiring to my master and will rock humanity to its very core it s a good thing I m along to help keep him grounded otherwise who knows what would ve happened

Sea-Gift Edwin W. Fuller, 2020-08-03 Reproduction of the original Sea Gift by Edwin W Fuller *Nihongi* , 2011-07-12
Nihongi Chronicles of Japan from the Earliest Times to A D 697 often called the Nihonshoki is one of Japan s great classics of literature Regarded as one of the seminal original authorities on the mythology and ancient history of Japan it remains as fresh today as when it was written in the eighth century It provides a vivid picture of a nation in formation In the Nihongi we see the growth of national awareness following the assimilation of Buddhism and the general Chinese and Indian influence on Japanese culture Before its history stretch the mysterious archaeological ages of Jomon and Yayoi From the first chapter The Age of the Gods the fantastic world of ancient Japan is laid before us Ritual myth and superstition meet with bare feet and folk custom Strong emotions and conflict are seen surging in Japan s antiquity Few historical documents are as human as the Nihongi For a thousand years emperors scholars courtiers and imperial historians have found in the Nihongi knowledge and guidance It remains a key to early Japan a gateway to the actual old Japan The translator of the Nihongi William George Aston pioneered the translation of Japanese into English *REDEMPTION* IAN PRATTIS, 2014-05 *REDEMPTION* Callum Mor the epic main character takes the reader on a deep Hero s Journey It opens with his childhood in the Hebrides islands

off the NW coast of Scotland He draws wonderful mentors to him his schoolteacher who lights the spark of a bard in him animal friends such as an otter a brutal fisherman who shields his darkness from the boy as he matures Callum Mor thrives despite the poverty of his home in an island nurturing with gentle humor and adventure This novel moves from the rhapsody of Callum Mor s idyllic childhood through tragedies to the derelict zone of his alcoholic drowning out of pain and suffering then finally into a state of awakening he remained in for the rest of his life His father a seaman longing to be at home is driven to madness by his inability to create a place for himself on the island His brother is murdered on the docks at Montreal So Callum Mor stays with his mother and forgets his yearnings to be a writer He becomes the best fisherman in the region before grave misunderstandings tear his love Catriona away from him This displaces his gifts as he drives himself and his crew to the very limits of endurance The manner of his mother s death is the final straw Callum Mor s sensitivities snap and he enters the dark zone of alcoholism and withdraws from society With only his animals keeping him this side of sanity he survives in a bleak solitude Until a family with a small girl seeking refuge from a storm come to his house Slowly he edges away from his self destruction He saves the girl s life in a winter blizzard The glimmer of awakening dawns in him while sheltering in a cave with the child warmly ensconced in the gutted carcass of a sheep he killed to keep her from freezing He sees his life pass in front of his eyes and is grateful that his journey brought him to such insight This sets the stage for the final drama that illuminates the resilience of the human spirit Redemption is my thirteenth book and first novel though actually the first book I ever wrote Written in 1975 it was soon forgotten as I was unable to get it published at that time This Lost manuscript was rediscovered the spring of 2011 and then refined I found it in an old filing cabinet read it through and could scarce believe it I requested my wife and a couple of friends with critical eyes to read it through just in case I was dreaming Modern technology enabled the yellowing typed manuscript to be transformed into a computer ready document My wife thought it was incredible one friend could not put it down and mused about the film to be made the other friend cried through most of it All of which encouraged me to bring Redemption to life I was tempted to leave this gem from 1975 in its pristine state but realized that my insights some forty years later could enhance the narrative and flesh out Callum Mor into a character of epic proportions The story is an allegory for the life difficulties I experienced at that time 40 years ago The surprise for me was how could I have written such a book while in a desperate state of mind I was a real mess with a failing marriage in the Hebrides and trying to keep a career going at Carleton University in Canada I was not doing a good job with either Publishing this book in 2014 was an imperative for me as a necessary part of my own life journey It is a companion to Trailing Sky Six Feathers also published in 2014 These books are writing me **YOU !
