Sea Battles In Miniature:

Sea Battles in Miniature Paul Hague, 1980-01-01 *Wargaming Campaigns* Henry Hyde, 2022-07-20 An authoritative reference guide to building wargaming campaigns featuring a full set of campaign rules tips on creating maps and more Most miniature wargames take the form of simulating a single battle with the opponents either winning or losing and that s that until the next game Such games can be a fun test of tactical skill but it can be even more rewarding if they form part of a wider campaign In a campaign the players commanding the forces have to make the decisions at the strategic level that determine the context of any battles that occur The outcome of these battles will in turn have strategic consequences for the ongoing campaign Although campaigns can be very rewarding many wargamers are deterred by the need to produce maps and devise mechanisms for strategic movement Intelligence logistics recruiting reinforcements keeping track of casualties etc Henry Hyde s excellent book greatly eases this task with masses of sound advice concrete suggestions and even a full set of campaign rules useful for any period Whatever historical or fantasy setting you prefer Henry shows that even simple campaigns can add extra fun to your gaming Praise for Wargaming Campaigns This big thick tome contains everything you d ever want to know about creating and running a wargame campaign Historical Miniatures Gaming Society Pacific Command Mike Hutchinson, 2025-05-29 A World War II tabletop miniatures naval wargame set in the Pacific Pacific Command is a naval miniatures wargame focusing on carrier combat in the Pacific during the Second World War in which fleets of battleships cruisers carriers and destroyers trade savage blows under skies filled with fighting aircraft The game features a unique fog of war mechanic which simulates the scale of these conflicts and the uncertainty under which admirals had to act Deploy your fleet first as radar blips allowing you to conceal the true location and configuration of your forces until it is too late for your opponent Spring your trap at the opportune moment and descend upon them with torpedo bomb and gun Pacific Command is underpinned with elegant dice pool mechanics to swiftly resolve both air and sea battles a tense reconnaissance system and a flexible command token resource to allow you to outwit and outmanoeuvre your opponent Bait your enemies to commit their ships and aircraft before you reveal your true plan With each battle you take a crucial step on the path to victory in the Pacific **The Navies of Rome** Michael Pitassi, 2010 fleet of warships numerically far larger than anything in existence today And yet this fascinating aspect of Roman rule has remained largely unstudied Structured around a detailed chronology of the establishment development and eventual decline of Rome s sea going forces this work examines the role of naval warfare in the construction of Europe s first great empire Bringing together archaeological pictorial and documentary evidence it suggests many new avenues for research and highlights a long overlooked arena of naval scholarship Book Jacket Promiscuous Media Hikari Hori, 2018-01-15 In Promiscuous Media Hikari Hori makes a compelling case that the visual culture of Showa era Japan articulated urgent issues of modernity rather than serving as a simple expression of nationalism Hori makes clear that the Japanese cinema of the time was in fact almost wholly built on a

foundation of Russian and British film theory as well as American film genres and techniques Hori provides a range of examples that illustrate how maternal melodrama and animated features akin to those popularized by Disney were adopted wholesale by Japanese filmmakers Emperor Hirohito's image Hori argues was inseparable from the development of mass media he was the first emperor whose public appearances were covered by media ranging from postcards to radio broadcasts Worship of the emperor through viewing his image Hori shows taught the Japanese people how to look at images and primed their enjoyment of early animation and documentary films alike Promiscuous Media links the political and the cultural closely in a way that illuminates the nature of twentieth century Japanese society The Chameleon Poet Robert Fraser,2014-09-30 The poet George Barker was convinced that his biography could never be written I've stirred the facts around too much he told Robert Fraser It simply can't be done Eliot wrote of his genius Yeats thought him the most interesting poet of his generation Dylan Thomas envied his power over women War trapped him in Japan In America he conducted one of the most celebrated love affairs of the century He fathered fifteen children in several countries three during one battle torn summer By the 1950s he was the toast of Soho Barker was Catholic and bohemian frank and elusive tender and boisterous In Eliot's phrase he was a most peculiar fellow Robert Fraser's biography offers both a portrait of a talented tormented and irresistibly entertaining man and a broad cultural landscape Around the central figure cluster painters like Francis Bacon Lucian Freud Johnny Minton and the Roberts Colquhoun and MacBryde writers such as Dylan Thomas Walter de la Mare and Elizabeth Smart whose By Grand Central Station I Sat Down and Wept hymns their liaison the lugubrious humorist Jeffrey Bernard After closing time at the Colony Room Minton declared they had to sweep up the jokes
