A Guide to Life on Earth Kb (NA),2010-04 Each moment is an opportunity to further the growth of your mind and the growth of your spirit Will you choose to evolve or choose to regress Don t be weighed down by illusions of despair anxiety depression or anger These so called devils strip from you the moment and the experience making you see it through their eyes filtering out all positive or evolvment opportunities Do not view your current reality through the eyes of an illusory self Wake up from the dream of reality It is not existing independent of your experience It relies on your experience to become It s not until you integrate the outside reality into your psyche that an experience takes place but it s filtered by all of the chemicals that revolve around your remembered experiences This means that it sees what it remembers to be true and real This is the illusion you must break What s real is now The moment Everything in the past was once the moment and everything in the future will eventually be the moment Everything else is an illusion that you were programmed to believe from the beginning Well it s time for an upgrade
