## **Search For The Pink Headed Duck:**

*The Search for the Pink-Headed Duck* Rory Nugent, 2016-05-03 Fifty two years after the pink headed duck was last seen in the wild Rory Nugent set off for India in search of this exceptionally rare bird In Calcutta he prowled the fowl market where a few of the ducks used to appear during the Raj Traveling on to Delhi he was befriended by a Cambridge educated smuggler and he learned of remote regions to the north where the duck might be found In Sikkim following the trail of a Yeti he became lost in the Valley of Bliss and nearly imprisoned inside a forest of rhododendrons each the size of a ranch house Making his way to Assam he bought a 13 foot skiff and paddled the Brahmaputra River from Burma to Bangladesh with stops on an island considered to be Kali's left breast and at a Tantrist temple where he stumbled on a grisly ritual in a graveyard In a secluded marsh along the river he may have spotted the world's rarest duck *Mysterious Creatures* George M.

Eberhart, 2002-12-17 A comprehensive guide to cryptozoology the quest to identify animals that have not been officially catalogued by science and to place these unknown animals into their proper zoological categories In this fascinating two volume encyclopedia author George M Eberhart provides a comprehensive catalog of nearly 1 000 cryptids unknown animals usually reported through eyewitness accounts and not yet described by science Cryptids are the stuff of folklore hoaxes and genuine scientific breakthroughs There are 400 now classified cryptids once considered either extinct or pure fantasy The cryptozoologist's job is to strip away the myth misidentification and mystery and separate fact from fiction *Mysterious Creatures* covers everything from dinosaurs and the emala ntouka an elephant killing dinosaur like animal of central Africa to searches for the Loch Ness monster Bigfoot and other cryptozoological hoaxes Entries about specific animals include the derivation or meaning of each cryptid's name its scientific name variant names a physical description behavior description of tracks habitat significant sightings present status and possible explanations Illustrations and photographs accompany many entries The book also includes resources and references for further information *Wild Life!* Re:wild, Syd

them gathered over more than 70 years To help make sense of this obsession the description of the books is linked to life in which traditional birdwatching and book hunting went on in different places and in between other things The Garment Worker ,1924 *Travelers' Tales India* James O'Reilly,Larry Habegger,2009-11-01 India is among the most difficult and most rewarding of places to travel Some have said India stands for I ll Never Do It Again Many more are drawn back time after time because India is the best show on earth the best bazaar of human experiences that can be visited in a lifetime India dissolves ideas about what it means to be alive and its people give new meaning to compassion perseverance ingenuity and friendship India monsoon and marigold dung and dust colors and corpses smoke and ash snow and endless myth is a cruel unrelenting place of ineffable sweetness Much like life itself Journey to the Kumbh Mela in Allahabad the world s biggest party with David Yeadon and take A Bath for Fifteen Million People greet the monsoon with Alexancer Frater where the Indian and Pacific Oceans meet track the endangered Indian One Horned Rhinoceros through the jungles of Assam with Larry Habegger encounter the anguish of the caste system with Steve Coll discover the eternal power of the monument of love the Taj Mahal with Jonah Blank and much more **Swans of the World** Alice L. Price,1994 Fully illustrated with swans of legend art nature and the imagination Swans of the World is a treasury and a treasure as well **Traveling India in the Age of Gandhi** Jeffrey N. Dupée,2008-04-15 Traveling India in the Age of Gandhi is a study of armchair travel writers who journeyed to India during what has often been termed the Age of Gandhi placed between 1914 1948 Most of the travel writers surveyed understood this era to be a unique time in world history in India and elsewhere on the globe The lingering trauma of World War I the rise of radical state ideologies in Russia Italy Japan and Germany world wide depression in the 1930s along with a host of other unsettling political cultural and technological realities revealed a world of bewildering complexity and uncertainty For many of the travel writers surveyed in this work India was the main drama in a shifting global landscape Moreover many viewed it as the ultimate travel experience a journey that tested one s capacity to fully engage the earth s most compelling forms of human diversity and suffering Although a few notable figures are included most of the authors in the study constitute a breed of largely forgotten travel writers This work is an attempt to extract the core of their observations impressions and conclusions concerning what they saw and experienced particularly concerning Indian aspirations for independence and India as the world s most exotic human landscape **Natural History** ,1922 *Down at the Docks* Rory Nugent,2010-02-09 In the opening pages of Moby Dick Herman Melville called New Bedford Massachusetts the dearest place to live in in all of New England But the old fishing port and manufacturing center once one of the richest cities in New England has withered in the modern economy Its once prosperous fishermen now struggle with government regulations and fished out seas while its empty factories now offer more work to the Fire Department than anyone else In Down at the Docks Rory Nugent tells the riches to rags story of this iconic American town through beautifully told and unsentimental portraits of its residents Their lives inform a eulogy to the distinctive ideas traditions and culture that is about

to disappear from the waterfront      **Spell of the Tiger** Sy Montgomery, 2009-01-16 Tigers      *Encyclopedia of Cryptozoology* Michael Newton, 2016-10-05 On every continent and in every nation animals unrecognized by modern science are reported on a daily basis People passionately pursue these creatures the name given to their field of study is cryptozoology Coined in the 1950s the term literally means the science of hidden animals When the International Society of Cryptozoology ISC was formed in 1982 the founders declared that the branch of science is also concerned with the possible existence of known animals in areas where they are not supposed to occur either now or in the past as well as the unknown persistence of presumed extinct animals to the present time or to the recent past what makes an animal of interest to cryptology is that it is unexpected This reference work presents a flesh and blood view of cryptozoology Here 2 744 entries are listed the majority of which each describe one specific creature or type of creature Other entries cover 742 places where unnamed cryptids are said to appear profiles of 77 groups and 112 individuals who have contributed to the field descriptions of objects and events important to the subject and essays on cryptotourism and hoaxes for example Appendices offer a timeline of zoological discoveries annotated lists of movies and television series with cryptozoological themes a list of crypto fiction titles and a list of Internet websites devoted to cryptozoology      **Nextinction** Ralph Steadman, Ceri Levy, 2015-08-16 The Boids are back in town The follow up to the award winning EXTINCT BOIDS this book features more of the incredible art of cartoonist Ralph Steadman This time the focus is not on the birds that are gone but the ones that there s still time to save These are the 192 Critically Endangered birds on the IUCN Red List species such as the Giant Ibis the Kakapo the Sumatran Ground cuckoo and the iconic Spoon billed Sandpiper these along with a number of classic Steadman creations such as the Unsociable Lapwing are the NEARLY EXTINCT BOIDS Woids are again by author conservationist and film maker Ceri Levy Together Ceri and Ralph are THE GONZOVATIONISTS      **The Faraday House Journal** Faraday House Electrical Engineering College, London, 1928      Photographic Guide to the Birds of Sri Lanka Bikram Grewal, Bill Harvey, Otto Pfister, 2002-06-10 A Photographic Guide to the Birds of Sri Lanka and India is the best most comprehensive photographic guide to the birds of South Asia Because of its vast size and geographical location the Indian subcontinent has some of the world s most diverse avifauna It boasts of thousands of species This birdwatching book covers over 800 species and distinct sub species and contains over 1 000 full color photographs Each species has a distribution map Many of the photographs in this magnificent volume appear for the first time and have been carefully selected to show the most important features of the species illustrated In several cases different plumages or flight shots are included The concise text provides vital information on the plumages voice and habits of each species are also mentioned in the texts The maps are accompanied by a note on the status and distribution This birdwatching book will enable accurate field identification in one of the world s most diverse avifaunal regions Indispensable reading for all bird lovers      **A Photographic Guide to the Birds of India** Bikram Grewal, Bill Harvey, Otto Pfister, 2002 This thorough photographic guide to the birds of India and the Indian Subcontinent

includes Pakistan Nepal Bhutan Bangladesh Sri Lanka and the Maldives *Lost Animals* Errol Fuller,2013-11-21 Caught on camera prior to their demise this book reveals the surprisingly rich photographic record of now extinct animals A photograph of an animal long gone evokes a feeling of loss more than a painting ever can Often tinted sepia or black and white these images were mainly taken in zoos or wildlife parks and in a handful of cases featured the last known individual of the species There are some familiar examples such as Martha the last Passenger Pigeon or the Ivory billed Woodpecker recently fledged and perching happily on the hat of one of the biologists that had just ringed it But for every Martha there are a number of less familiar extinct birds and mammals that were caught on camera The photographic record of extinction is the focus of this remarkable book written by the world s leading authority on vanished animals Errol Fuller *Lost Animals* features photographs dating from around 1870 to as recently as 2004 the year that saw the demise of the Hawaiian Po ouli From a mother Thylacine and her pups to now extinct birds such as the Heath Hen and Carolina Parakeet Fuller tells the tale of each animal why it became extinct and discusses the circumstances surrounding the photography itself in a book rich with unique images The photographs themselves are poignant and compelling They provide a tangible link to animals that have now vanished forever in a book that brings the past to life while delivering a warning for the future **Bird Observer** ,1991

**Using Detection Dogs to Monitor Aquatic Ecosystem Health and Protect Aquatic Resources** Ngaio L. Richards,2018-08-10 This book is about the varied range of emerging applications using specially trained detection dogs to monitor and protect aquatic ecosystems animals plants and related resources Featuring contributions from those at the forefront of converging disciplines ranging from canine training ecological and biological monitoring water resource management law enforcement and eco toxicology it addresses everyone already immersed in these or related fields and anyone seeking to gain a broader understanding of them Chapters cover several common themes including monitoring presence absence through biological and ecological surveys maintaining and evaluating water quality law enforcement and anti poaching initiatives public education awareness and compliance standards and best practices optimal uses of dogs in relation to and in conjunction with other available tools and pragmatic considerations for selecting and working with dogs and handlers The aim of the book is to stimulate new ideas promote the sharing and dissemination of information and findings and ideally to catalyze new and innovative partnerships to strengthen the preservation and conservation of our aquatic heritage **To the Elephant Graveyard** Tarquin Hall,2020-03-03 Introduces us to the darker side of the Asian elephant It is more of a thriller than a straightforward travel book insightful and sensitive Literary Review On India s northeast frontier a killer elephant is on the rampage stalking Assam s paddy fields and murdering dozens of farmers Local forestry officials powerless to stop the elephant call in one of India s last licensed elephant hunters and issue a warrant for the rogue s destruction Reading about the ensuing hunt in a Delhi newspaper journalist Tarquin Hall flies to Assam to investigate *To the Elephant Graveyard* is the compelling account of the search for a killer elephant in the northeast corner of India and a vivid

portrait of the Khasi tribe who live intimately with the elephants Though it seems a world of peaceful coexistence between man and beast Hall begins to see that the elephants are suffering having lost their natural habitat to the destruction of the forests and modernization Hungry confused and with little forest left to hide in herds of elephants are slowly adapting to domestication but many are resolute and furious Often spellbinding with excitement like a page turning detective tale Publishers Weekly To the Elephant Graveyard is also intimate and moving as Hall magnificently takes us on a journey to a place whose ancient ways are fast disappearing with the ever shrinking forest Hall is to be congratulated on writing a book that promises humor and adventure and delivers both The Spectator Travel writing that wonderfully hits on all cylinders Booklist A wonderful book that should become a classic Daily Mail
