himself known in it **The Story Ripples of the Bible** Elisabeta Karp, 2025-06-25 The Bible is more into showing than telling When it wants to teach important and prophetic truths it takes its time telling true stories And storytelling in Scripture works like a ripple effect It sets off a current of events and experiences that repeat expand connect develop and slowly move toward something or someone Bible stories build Bible prophecy The beloved stories readers grew up with like David and Goliath also contain frequent flashbacks to past stories so as to foreshadow the future As the grand narrative progresses from the Old to the New Testament these recycled stories and their developing patterns eventually shape into a silhouette ready for the Messiah to step into as the perfect match So like Jesus disciples on the road to Emmaus readers must take another listen to the biblical authors narrating their stories because through them they are making the greatest prophetic connections that will cause hearts to burn for truth As people discover how the Bible s stories ripple toward Messiah their own stories will too *In Search of Bible Trivia II* Bob Phillips, 1986-12-12 **Religion and Technology in the 21st Century: Faith in the E-World** George, Susan Ella, 2006-05-31 This book examines the unique synergy between religion and technology and explores the many ways that technology is shaping religious expression as well as ways that religion is coming to influence technology Provided by publisher
