Community-based Media Pedagogies Bronwen Low, Paula Salvio, Chloe Brushwood Rose, 2016-10-04 Participatory media is a tool for individual and community education and development allowing students to express and share their ideas and opinions and to contribute to the production of the commons Vital to the storytelling in these community spaces is listening the listening of project facilitators to participants of participants to each other and of the public to the stories that emerge through these projects Community based Media Pedagogies examines the role of listening across community media sites to explore its relational qualities and to identify the kinds of teaching and learning that happen in these spaces Drawing on community media projects and pedagogies across New York Toronto and Montreal this volume documents the stories of racialized and marginalized minority youth and immigrants and explores which relations and spaces facilitate listening Search of New Age Spiritualities Adam Possamai, 2019-01-22 The search for an adequate understanding of the New Age phenomenon is fraught with difficulties when examined within the perspectives of sociology of religion which have shed light on religion in modernity New Agers cannot be located easily in the secularisation narrative they move through fluid networks rather than settled collectivities they assemble personal syncretisms of belief myth and practice rather than subscribe to codified doctrines and prescribed rituals New Age is guickly found to be a label that is unacceptable to many of those designated as New Agers This book advances our understanding of the so called New Age phenomenon by analysing accounts of insiders religious experience and orientations This approach is brought to bear not only on the study of written documents relating to New Age and its putative antecedents but on the analysis of in depth interviews with thirty five The Sphinx on the Table Janine Burke, 2009-05-26 Sigmund Freud's collection of Egyptian Greek and spiritual actors Roman antiquities is one of the art world's best kept secrets Over a forty year period he amassed an extraordinary array of nearly three thousand statues vases reliefs busts rings and prints For Freud psychoanalysis and his art collection developed together in a symbiotic nourishing relationship each informing and enriching the other Freud used myth to illustrate controversial theories like the Oedipus complex situating ancient symbolism in a modern context He explored the archaeology of the mind unearthing his patients dreams and memories while creating a personal museum of ancient treasure Freud compared the process to analysis where he cleared away material layer by layer to the technique of excavating a buried city To create a portrait of Freud the art collector Janine Burke builds a vibrant richly detailed and intimate image of his life and times tracing Freud's taste for beautiful things back to his earliest years The Sphinx on the Table is set against the glittering decadent backdrop of fin de siecle Vienna where an artistic flowering took place in painting theater writing and architecture The Intuitive Heart Discovery Group Program Henry Reed, 2015-08-29 Henry Reed provided an innovative hands on training program at Edgar Cayce's ARE in Virignia Beach Virginia He creatively custom tailored the program to Cayce's specifications for a spiritual approach to psychic development Several peer reviewed reports relative to

intuition research were published as a result Participants wanted to take the program home to share with a gathering of friends The information in this book never before published in this form provides the details necessary for a group to enjoy themselves exploring these important discoveries Folks learn to use intuition together and to navigate the new world coming where boundaries are but convenient tools Living and working together in intuitive harmony with each other and the creative life forces becomes the principal ideal Experience these realities for yourself in the company of like minded people who are ready to share in the Intuitive Heart Discovery Program Consensual intuition is possible and culturally transformative

Spiritual Truths in Search for Higher Levels of Well-Being Raul Llanos MD,2020-11-17 This book is an expression of the maturity of my vocation as a healer and my profession as a medical doctor that has given me the tools and the opportunity to find and to share more wellbeing in our lives If we become more conscious of our awareness we will be able to get in touch with an infinite capacity to create richer stages of being During the passages of my book I will share with you spiritual truths that I consider very important to be conscious in the pursue of higher stages of wellbeing Throughout the chapters of the book we will get in touch with our capacity to always expand our conscious reality I include concepts that will help us to be conscious of who we are and how to experience with more easiness and elegancy our holographic reality We explore concepts of the importance of been more in charge of our day and night dreams but mainly to be able to accept that we are experiencing a real illusion reality. The power of forgiveness the love and the celebration of the gifts of life are also included with the main goal of helping us to be more aware of our capacity to consciously create our own reality To expand it in an un limited way all at our disposition You will be able to understand that always will be more and that we are a precious conscious gem who co creates precious gems realities The Messenger of Peace ,1927 Christian Arbitrator and Messenger of Peace ,1927 In Search of Human Dignity Karin Sporre, 2015 Our human dignity can be taken from us in unjust relationships which makes resistance and a search for dignity necessary This search can take place in different ways in this book through academic studies in theology ethics and education Human dignity relates to human rights which are also explored here moreover perspectives from gender and postcolonial theory inform the studies The reflection on human dignity ends in a discussion of education making the book a resource in addressing contemporary value issues in education This collection of lectures articles and papers covers a certain time period In the texts particular themes recur which contributes to continuity and coherence The focus of more recently written chapters takes the discussion in new directions Karin Sporre with a PhD in Ethics from Lund University Sweden is Professor in Education focusing on values gender and diversity at Ume University Sweden Since 2001 she has been actively engaged in co operation with South African colleagues This has inspired comparison between South Africa and Sweden exemplified in some of the chapters in her book In Search of Human Dignity

Foundation is a nonprofit educational organization First published in 1997 Routledge is an imprint of Taylor Francis an **The Forum** Lorettus Sutton Metcalf, Walter Hines Page, Joseph Mayer Rice, Frederic Taber informa company Cooper, Arthur Hooley, George Henry Payne, Henry Goddard Leach, 1908 Current political social scientific education and literary news written about by many famous authors and reform movements **Forum and Column** Forum ,1908 The Adult Development of C.G. Jung (RLE: Jung) John-Raphael Staude, 2014-07-17 Originally published in 1981 this study presents Jung's theory of adult personality development and analyses and interprets in its biographical and historical context the genesis and development of Jung's theory of the individuation process Dr Staude argues that an in depth study of Jung's life offers insights into the patterns and processes of adult development and he focuses particularly on Jung s writings during and immediately after his mid life transition He shows how Jung articulated his hard won insights into adult development in his books and essays and into his analytic practice and considers how Jung's developmental theory relates to the changes he experienced in his own life and in his socio historical environment Dr Staude concludes that Jung s emphasis on impersonal universals of human psychic development complements and supplements the personal emphasis of ego development theory and provides the foundations for a more holistic understanding of adult developmental psychology
