In Search of First-Century Christianity Joe E. Barnhart, Linda T. Kraeger, 2019-06-04 Originally published in 2000 In Search of First Century Christianity contends that Christianity in the first century had no founder but rather evolved as a convergence of many forces political disillusionment cultural mutations religious and theological motifs psychosocial losses and new expectations Moving on from an examination of the foundations of historical and literary criticism in the Renaissance and a detailed study of two writers in antiquity Thucydides and Chariton to examine writings in the period between Plato and the Gospel of Mark the authors then explore the writing of Paul and the stories told in the Gospels With the early Christians drawing from both Greek and Hebrew sources Barnhart and Kraeger propose that like Plato Paul and other Christians generated an anti tragic theatre gospel with the Jesus figure being the creation of a culture steeped in an anthropomorphic metaphysical view of the world

Masochism and the Self Roy F. Baumeister, 2014-02-04 This volume provides an integrative theory firmly grounded in current psychology of the self and offers a fresh compelling account of one of psychology's most enigmatic behavior patterns Professor Baumeister provides comprehensive coverage of historical and cross cultural theories and empirical data on masochism and presents recent original data drawn from a large data set of anonymous masochistic scripts of fantasies and favorite experiences Drawn from the latest social psychological research and theories Professor Baumeister returns the emphasis to the original and prototypical form of masochism sexual masochism and explains these phenomena as a means of releasing the individual from the burden of self awareness It is the first volume to present a psychological theory compatible with the mounting evidence that most masochists are not mentally ill nor does masochism derive from sadism Instead Professor Baumeister finds that masochism emerges as an escapist response to the problematic nature of selfhood and he attempts to foster an

understanding of sexual masochism that emphasizes both escape from self and construction of meaning hypotheses The book is directed at all those interested in the self and identity in paradoxical behavior patterns and in the construction of meaning presenting specific clinical recommendations *Finding God in the Gulag* Jeffrey S. Hardy, 2024-10-23 The Soviet Communist Party with help of the secret police attempted to completely eliminate religion from Soviet society by in part imprisoning believers and attempting to re educate them in the labor camps of the infamous Gulag *Finding God in the Gulag* tells the story of how imprisoned Christians nevertheless found ways to pray read scripture sing hymns celebrate Easter and commune with their fellow believers *American Identity* B. Kumaravadivelu, 2024-06-25 Recent events such as the storming of the U S Capitol on January 6 2021 have led many Americans to lament that the nation they grew up with is unrecognizable now They see threats to national and individual identity and are fiercely engaged in protecting them In doing so some of them deliberately blend the distinction between myth and reality In this timely and relevant book the author seeks to provide a critical perspective on who we really are Taking into consideration the prevailing political social and cultural conflicts the author re examines the changing nature of American identity primarily its creedal identity religious identity cultural identity and linguistic identity and does so within a broader perspective informed by national and global network of connections Based on his lived experience as a naturalized citizen and his learned knowledge as a scholar he synthesizes the professional the political and the personal He draws insights from multiple disciplines in Humanities and Social Sciences from surveys conducted by agencies like the Pew Research Center and from the practice of everyday American life
