Reincarnation in the New Testament James Morgan Pryse,1904 **Searching the Scriptures for Reincarnation**

James Morgan Pryse,2005-12-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *In Search of Truth and Freedom* Dietmar Rothe,2000 **Reincarnation, Theosophical Manual No. 2** Annie W. Besant,1996-09 The Bible Beyond the Words Fred Snider,2017-10-30 The Bible Beyond the Words reveals hidden mysteries within the biblical narrative by going beyond the writers words to the deeper meanings of which Christ himself is the author These revelations include a heretofore unknown mystery in the great flood that changed the course of human life beyond the obvious and a very important but little known mystery of Christs experience on the cross that points toward a very different heaven than most of us expect It also removes the ambiguities that surround Gods Old Testament versus New Testament encounters with his people And finally it definitively answers the question Why do bad things happen to good people **Encyclopedia of Reincarnation and Karma** Norman C. McClelland,2018-10-15 Featuring over 1 200 topical entries arranged alphabetically this encyclopedia provides diverse and detailed coverage of the related subjects of reincarnation and karma Its in depth examination ranges from ancient beliefs to those of the present incorporating all relevant world cultures A series of broad thematic entries cover foundational aspects while over a thousand highly focused entries deal with various societies and organizations which support the concepts of reincarnation and karma specific religious groups sects and associations key individuals both historic and modern and related beliefs concepts and practices **Reincarnation** Annie Besant,1919 *A SEARCH IN VEDIC INDIA* VENKATARAMANA SARMA PODURY,2021-06-01 It offers a wonderful technique to live happily in the world One would be free from the fear of death after reading this book Objects that are billions of light years away are being observed by men without any clue as to the secrets behind their creation and their creator They forget a simple secret that all could be known by enquiring into his own self to find answers to all the questions faced by any man at any time This book tells you how to do that enquiry step by step into one s own self to recognize one s true self and their relationship with the objective world and the so called God It is not in an essay type article format but in the most interesting way of dialogues between Guru and Shishya answering all the questions that arise in the reader s mind Through The Mist Of Memory Francita Brown Gasche,2023-02-16 All the numinous events hidden safely from ridicule criticism and disbelief bubbled up from deep in my heart when my childhood friend died in 1985 The voices visions sighting and apparitions throughout my life clamored acknowledgement Gossamer threads anchored to my life fabric at various points in my life told vignettes of mysteries about which I wondered After he started school he changed from a happy little boy to one depressed and afraid Though I asked he

would not tell me what happened only snippets plus a warning to me before I started school He was particularly afraid to go to the outhouse alone because of a phantom We had appendectomies within a week in 1947 and spent five days in the hospital together He was in the children s ward and I in the women s ward The epiphany after Johnny s death was the most wonderful and horrendous event of my life It answered questions for which I needed answers plus information I did not contemplate When his spirit came to me explained and verified his words and actions in childhood it was apparent all I had been a witness to needed to be revealed The mysteries disclosed must be open to others Just as I needed more information some other soul may need the information I can offer This is my purpose

Reincarnation Annie Besant,2019-01-09 Let us start with a clear understanding of what is meant by Reincarnation So far as the derivation of the word is concerned any repeated entering into a physical or fleshly covering might be included thereunder It certainly implies the existence of something relatively permanent that enters into and inhabits successive somethings relatively impermanent Now Reincarnation is a truth that has swayed the minds of innumerable millions of our race and has molded the thoughts of the vast majority for uncounted centuries It dropped out of the European mind during the Dark Ages and so ceased to influence our mental and moral development very much be it said in passing to the injury of that development For the last hundred years it has from time to time flashed through the minds of some of the greater Westerners as a possible explanation of some of life s most puzzling problems and during recent years since its clear enunciation as an essential part of the Esoteric Teaching it has been constantly debated and is as constantly gaining ground among the more thoughtful students of the mysteries of life and of evolution
