

A manga-style illustration featuring a young woman with long, dark brown hair and a gentle smile, looking towards the viewer. She is wearing a dark top. A young man with short, dark blue hair and closed eyes is leaning his head against her shoulder, appearing to be asleep or resting. He is wearing a light-colored, long-sleeved shirt. The woman's arms are wrapped around the man, and they are both holding hands. The background is a dark, muted grey with several soft, white, circular bokeh lights. The overall mood is intimate and tender.

The Diary of Samuel Pepys Samuel Pepys, 2018-10-02 A newly edited selection from the most famous colorful and vivid diarist in the English language in the most accessible uncensored and clearly annotated edition available Though he rose to become the most

powerful administrator in King Charles II's navy when Samuel Pepys began writing his secret journal in 1660 he was just a young clerk living in London. Over the next nine years he became eyewitness to some of the most significant events in seventeenth century English history among them the Restoration the Great Plague of London in 1665 and the Great Fire of London in 1666. Pepys's diary gives vivid descriptions of spectacular events but much of the richness of the work lies in the details it provides about the minor dramas of daily life. While Pepys was keen to hear the king's views he was also always ready to talk with a soldier a housekeeper or a child rag picker. He records with searing frankness his tumultuous personal life including his marriage infidelities ambitions and power schemes. He recounts with relish all the latest scandals and reflects his voracious delight in music food books scientific discoveries and fashion. The result is a lively often astonishing diary and an unrivaled account of life in seventeenth century London. *Don't Look Back* Jennifer L. Armentrout, 2014-04-15
