Girl of Steel Melissa Wehler, Tim Rayborn, 2020-03-06 The CW's hit adaptation of Supergirl is a new take on the classic DC character for a new audience. With diverse female characters it explores different versions of the female experience. No single character embodies a feminist ideal but together they represent attributes of the contemporary feminist conversation. This collection of new essays uses a similar approach, inviting a diverse group of scholars to address the many questions about gender roles and female agency in the series. Essays analyze how the series engages with feminism, Supergirl's impact on queer audiences, and how families craft the show's feminist narratives. In the ever-growing superhero television genre, Supergirl remains unique as viewers watch a female hero with almost godlike powers face the same struggles as ordinary women in the series.

Legends of the Secret Tunnels of Malacca Dennis De Witt, 2018-01-01 Tales of the subterranean tunnels under the historic town of Malacca have existed for over a century. There were stories of tunnels that served as the governor's secret emergency exit from the fortress and a mile-long tunnel that once connected the fortress of Malacca to the fort on St. John's hill, strategically built for the defence of the town. There were also stories of a tunnel under St. Paul's hill and how people had gone into these tunnels but were never to be seen again because they were eaten alive by a giant mythical serpent who guards the tunnels. What secrets do the tunnels contain and why were people willing to risk their life by descending into the dark and unknown orifices below Malacca? Is there lost treasure still buried in Malacca? Did the last Sultan of Malacca stash his huge cache of gold after the Portuguese captured Malacca, and the secret vault still remains undiscovered till today? Was Malacca Ptolemy's Golden Chersonese and the Ophir, the source of King Solomon's gold? This book uncovers the layers of history that unfold Malacca's most bizarre and amazing legend.

Protected Secrets Shawn McGuire, 2020-05-10 Springtime in the village means colored eggs, hot crossed buns, and a corpse. As the vernal equinox brings welcome warmth and the promise of the coming tourist season to Wisconsin's Northwoods, it also brings an invading Wiccan coven. Sheriff Jayne O'Shea isn't worried about the witches. It's the fact that her mother is coming for her first visit in nearly twenty years that has her on edge. Their reunion goes well better than expected, and then a coven member disappears. The other members don't seem concerned. In fact, they're so indifferent to the disappearance, Jayne is sure she's searching for a body, not a missing person. The possibility of another death in the village is bad enough, but this one could mean the end for Whispering Pines. If Jayne can't get her mom to see the lakeside community's charming appeal, it will go up for sale.
