Gooden ,2021-12-15 Seasons of Summerland is a collection of twelve short stories one for every month of the year Beginning with January the darkest and coldest time of year the reader will travel through each month in turn Some of the selected works are light full of the wonder of Christmas as a child or a first kiss Others are dark and gritty with the finality of death or the heartbreak of a true love lost But in every ending there is a new beginning Just like with a year itself the darkness will inevitably melt away with the arrival of the light of spring and the warmth of summertime May the magic of the stories within these pages transport you to a land where it is always summer Trees for Everyone - Easy Tree Studies for All Seasons of the Year Julia Ellen Rogers,2015-02-15 It was late April when I came by As I looked up into that tree top the sunlight was shining through and at first I thought I must be dreaming Instead of buds I saw what seemed like lighted candles each with a silken frill like the recurved petals of an iris below the tip of flame I had never seen a tree thus illuminated and the sight was enchanting The warm spring air had brought out the hickory buds with those of other trees and while I was looking for flowers on the ground the buds above had swollen cast off the winter covers revealing the silky inner wrappings of the young shoots The rich downward curving petals were only the inner scales of the great buds grown long and wide their vivid orange setting off the compact yellow buds that still stood erect I had never seen a hickory tree opening its iris like buds before but I have never missed it since From Chapter 1
