**The Seasons** Bill Gilbert, 2004-02 Features interviews with Dom DiMaggio Bob Feller Jim Palmer Maury Povich Tom Seaver Duke Snider and George Will *501 Baseball Books Fans Must Read Before They Die* Ron Kaplan, 2013-04-01 Propounding his small ball theory of sports literature George Plimpton proposed that the smaller the ball the more formidable the literature Of course he had the relatively small baseball in mind because its literature is formidable vast and varied instructive often wildly entertaining and occasionally brilliant From this bewildering array of baseball books Ron Kaplan has chosen 501 of the best making it easier for fans to find just the books to suit them or to know what they're missing From biography history fiction and instruction to books about ballparks business and rules anyone who loves to read about baseball will find in this book a companionable guide far more fun than a reference work has any right to be *Air Power* Bill Gilbert, 2004-09 This winner of the Navy's Roosevelt Award for Excellence in Writing covers heroes and heroism in American flight missions since 1916 and includes 29 black and white photographs **The Eagles of Heart Mountain** Bradford Pearson, 2021-11-02 In the summer of 1942 the federal government forced 120 000 Japanese Americans from their homes and sent them to concentration camps across the West Eleven thousand of them landed on the desolate outskirts of the Wild West town of Cody Wyoming at Heart Mountain Relocation Center It would be their home for the next three years The same racism and discrimination that led to their removal continued in camp as armed guards and FBI spies watched their every move In that environment little brought joy to the imprisoned That is until the fall of 1943 when the Heart Mountain High School football team the Eagles started its first season Despite every obstacle the Eagles ran through the competition who traveled to the camp from majority white high schools across Wyoming and Montana and finished undefeated As the team's second and final season kicked off the federal government began drafting boys and men from the camps for the front lines The Eagles had to choose join the Army or resist the draft With the war draft and family obligations crashing around them they fought to keep their perfect record and their pride Based on archival research and interviews with players their families former incarcerated and camp employees *The Eagles of Heart Mountain* is a book about a football team yes But it's more than that it's about a group of people wronged by their government standing up and saying Enough Book jacket *Willie Mays* James S. Hirsch, 2010-04-03 The New York Times bestselling authorized enormously entertaining and wide ranging The Seattle Times biography of the late great Willie Mays Willie Mays 1931-2024 was arguably the greatest player in baseball history revered for the passion he brought to the game He began as a teenager in the Negro Leagues became a cult hero in New York and was the headliner in Major League Baseball's bold expansion to California He was a blend of power speed and stylistic bravado that enraptured fans for more than two decades Author James Hirsch reveals the man behind the player Mays was a transcendent figure who received standing ovations in enemy stadiums and who during the turbulent civil rights era urged understanding and reconciliation More than his records his legacy is defined by the pure

joy that he brought to fans and the loving memories that have been passed to future generations so they might know the magic and beauty of the game With meticulous research and drawing on interviews with Mays himself as well as with close friends family and teammates Hirsch presents a brilliant portrait of one of America s most significant cultural icons     *Now Pitching, Bob Feller* Bob Feller,2002-05     **Master of the Air** Robert A. Slayton,2010-03-18 When the western Allies moved to consolidate their areas of control in occupied Germany the USSR responded by cutting off land access to West Berlin holding over two million residents of that city hostage in an aggressive act of brinkmanship General William Henry Tunner was given a task that seemed doomed to failure to supply a major city by air with everything it needed to survive from food to a winter s supply of coal and made it a brilliant success astonishing the world in a major public relations defeat for the Soviets and demonstrating the unexpected capacity of air fleets in a postwar world     **Baseball America 2007 Almanac** Baseball America (Firm),2007-01-02 Baseball America s 2007 Almanac offers a complete recap of the 2006 baseball season from the World Series to the major minor college high school independent and amateur leagues The Almanac has organization team and player statistics and season reviews covering all of professional amateur and youth baseball It is also the only volume to feature in depth coverage of the annual draft of players at all levels     **Major League Baseball's Greatest 150 Individual Pitching Seasons** Jeff Wing,2001 When Pedro Martinez won his first Cy Young Award with the Boston Red Sox in 1999 many people in the baseball world claimed it to be one of if not the greatest pitching achievement of all time Though a remarkable campaign it hardly ranks as the greatest ever This book lists in order the top 150 pitching performances for a single season between the years 1900 1999 Based on the grading system developed for this book Pedro s season ranks as the 45th best season for a pitcher Who is the greatest pitcher in the history of baseball Is it Walter Johnson or Christy Mathewson Some may argue for Roger Clemens or Nolan Ryan The debate as to the best ever will continue but the chapter comparing pitchers of today and yesteryear will offer some new insights This book will truly interest the baseball enthusiast because it offers clear and interesting data Plus the measuring stick used for the rankings is not based on opinion potential or favoritism but rather on fair and unbiased criteria Eighty seven pitchers biographies included from the famous to the one season wonders make up the list of the greatest 150 pitching seasons Included as well are brief summaries of an additional 130 pitchers     **Best American Political Writing 2009** Royce Flippin,2009-10-13 A must have anthology for political junkies Best American Political Writing compiles the year s best political stories from a variety of publications and points of view in a single comprehensive volume Culling from the most memorable reporting of what promises to be a thrilling political year the 2009 American Political Writing edition will include incisive coverage of the new Obama presidency and its impact nationwide as well as the most pressing political concerns facing America today from the depressed economy to our participation in wars in Iraq and Afghanistan     [The Universal Jewish Encyclopedia](#) Isaac Landman,Louis Rittenberg,1939     *The Baseball Bibliography* Myron J.
