Seaswept Rapture:

Seaswept Rapture Terri Sprenger, T Sprenger, 1992-12 After years in a convent school abroad innocent Catalina Cortez knows only of a love for California soil and a passion for riding and roping on her father's ranch But an accident at sea lands her in the arms of lusty sea captain Matthew Landsdown merchant or pirate as the times demanded who teaches her the meaning of desire and everlasting love Sea Swept Nora Roberts, 2013-05-07 The first novel in 1 New York Times bestselling author Nora Roberts stunning Chesapeake Bay Saga where the Quinn brothers must return to their family home on the Maryland shore to honor their father's last request A champion boat racer Cameron Quinn traveled the world spending his winnings on champagne and women But when his dying father calls him home to care for Seth a troubled young boy not unlike Cameron once was his life changes overnight After years of independence Cameron has to learn to live with his brothers again while he struggles with cooking cleaning and caring for a difficult boy Old rivalries and new resentments flare between Cameron and his brothers but they try to put aside their differences for Seth's sake In the end a social worker will decide Seth's fate and as tough as she is beautiful she has the power to bring the Quinns together or tear them apart Don't miss the other books in the Chesapeake Bay Saga Rising Tides Inner Harbor Chesapeake Blue **Seaswept Rapture** Terri Farley, 1992 **Rapture in Death** J. D. Robb, 1996-10-01 Lieutenant Eve Dallas delves into the world of virtual reality gaming to stop a sadistic killer in this In Death novel from 1 New York Times bestselling author J D Robb They died with smiles on their faces Three apparent suicides a brilliant engineer an infamous lawyer and a controversial politician Three strangers with nothing in common and no obvious reasons for killing themselves Police lieutenant Eve Dallas finds the deaths suspicious And her instincts pay off when autopsies reveal small burns on the brains of the victims Was it a genetic abnormality or a high tech method of murder Eve's investigation turns to the provocative world of virtual reality games where the same techniques used to create joy and desire can also prompt the mind to become the weapon of its own destruction On this Holy Island Oliver Smith, 2025-03-04 A lyrical and insightful narrative that presents a new approach to the idea of pilgrimage traversing paths both ancient and modern Retracing sacred travel made across time from murmurs of ritual journeys in the depths of Ice Age to new pilgrimages of the 21st century On This Holy Island is an epic adventure across sacred British landscapes We follow Oliver Smith as he climbs into remote sea caves sleeps inside Neolithic tombs scales forgotten holy mountains and once even maroons himself at sea Following holy roads to churches cathedrals and standing stones this evocative and enlightening travelogue explores places prehistoric pagan and Christian Smith also reveals how football stadiums and music festivals have become contemporary places of pilgrimage Though the routes walked are often ancient the pilgrims he meets are always modern But underpinning the remarkable book is a timeless truth that making journeys has always been a way of making meaning So often Smith finds the unravelling of a path goes in tandem with the unravelling of the soul **Gates of Rapture** Caris Roane, 2012-12-24 Gates of Rapture Caris Roane As a vampire

and a warrior Leto Distracted is deadly But after years of being forced to drink dying blood he is now part beast a wild savage thing lurking beneath the surface With war on the horizon Leto is determined to help the Guardians of Ascension destroy the enemy who turned him into a monster And there's only one woman who can help him Grace Albion is certain that she's meant to be with Leto but their future may be cut short by the impending battle Now Grace must embrace her obsidian flame powers and bind her powers with Leto's if they're ever going to survive With the fate of the world at stake they must tap into powers they never knew they had and unlock their deepest passions Sexy and thrilling Gates of Raptures is the breathtaking final book in Caris Roane's Guardians of Ascension series **English House Names** Leslie Dunkling,1971
