building and demonstrates the imperial vision of sixteenth century Ottomans This unique study shows that in contrast with many Eurocentric views the Ottomans were active players in European politics with an imperial culture in direct competition with that of the Habsburgs and the Safavids Indeed this book explains Ottoman empire building with reference to the larger Eurasian context from Tudor England to Mughal India contextualizing such issues as state formation imperial policy and empire building in the period more generally ahin s work also devotes significant attention to the often ignored religious dimension of the Ottoman Safavid struggle showing how the rivalry redefined Sunni and Shiite Islam laying the foundations for today s religious tensions Falling Cali MacKay, 2018-02-17 I don't know who thought it was a good idea to put me in charge of protecting the gorgeous twenty something year old daughter of an heiress Yet here I am doing my best to keep her alive and out of a hitman s cross hairs Unfortunately the heiress refuses to listen to a damn word anyone says and she treats her daughter Isabelle like shit which doesn t sit well with me When the heiress gets herself killed I can t say I m heartbroken given how horrible she s been to Isabelle And when Isabelle begs me to keep her alive there s no way I can turn her down Not when I haven t been able to shake her from my thoughts from the moment I laid eyes on her In typical Blackthorn fashion I m falling for her fast and hard But there s still a killer on the loose and it turns out the heiress had some secrets she d have preferred to take to her grave Now it s not just Isabelle s life that s at stake but my heart and there s a damn good chance I m going to lose them both This story has a Happily Ever After for the couple and can be read as a stand alone though there are small plot points that will continue in upcoming books Ethics in Marketing Patrick E. Seattle became a city of instant millionaires and brand name shopping skyscrapers and sports franchises the place everyone wanted to visit topping lists of America's most desirable cities But with such wealth came consequences overdevelopment paralyzing traffic racial and class divisions and a street population of teenagers discarded by the new culture whose rage and disaffection fueled the rise of bands such as Nirvana Striving to reach its ambitions Seattle seemed to be losing the struggle for its soul And when it hosted the 1999 World Trade Organization convention the city's conflicted personalities clashed as violent riots by residents and a coalition of protestors left the downtown decimated and the nation transfixed by the spectacle of globalization gone wrong In Seattle and the Demons of Ambition Fred Moody uses his own background as a native son along with wide ranging encounters with others to trace the growing pains of the city he loves Profiling Bill Gates and never quite champion football coach Chuck Knox a pair of ambitious entrepreneurs and a homeless sculptor once profiled in the New Yorker grunge music superstars and the preyed upon children of the documentary Streetwise Moody offers a dramatic entertaining and insightful portrait of the city that defined economic and technological change in the America of the 1990s
