SECRETS OF THE TSIL CAFÉ

Thomas Hingle's only son is in the kitchen of ThemAppetito, his mother's catering service. There, he learned to read while tasting the glowing flavors of his mother's culinary alphabet. But before he was allowed to enter the Tsil Café, he would have to pass his father's cruel tests. Anchores. Habanero chiles. Chipotle peppers. Food to pump body and soul. Food his loving but sometimes volatile father uses as a measure of family, friends, and enemies.

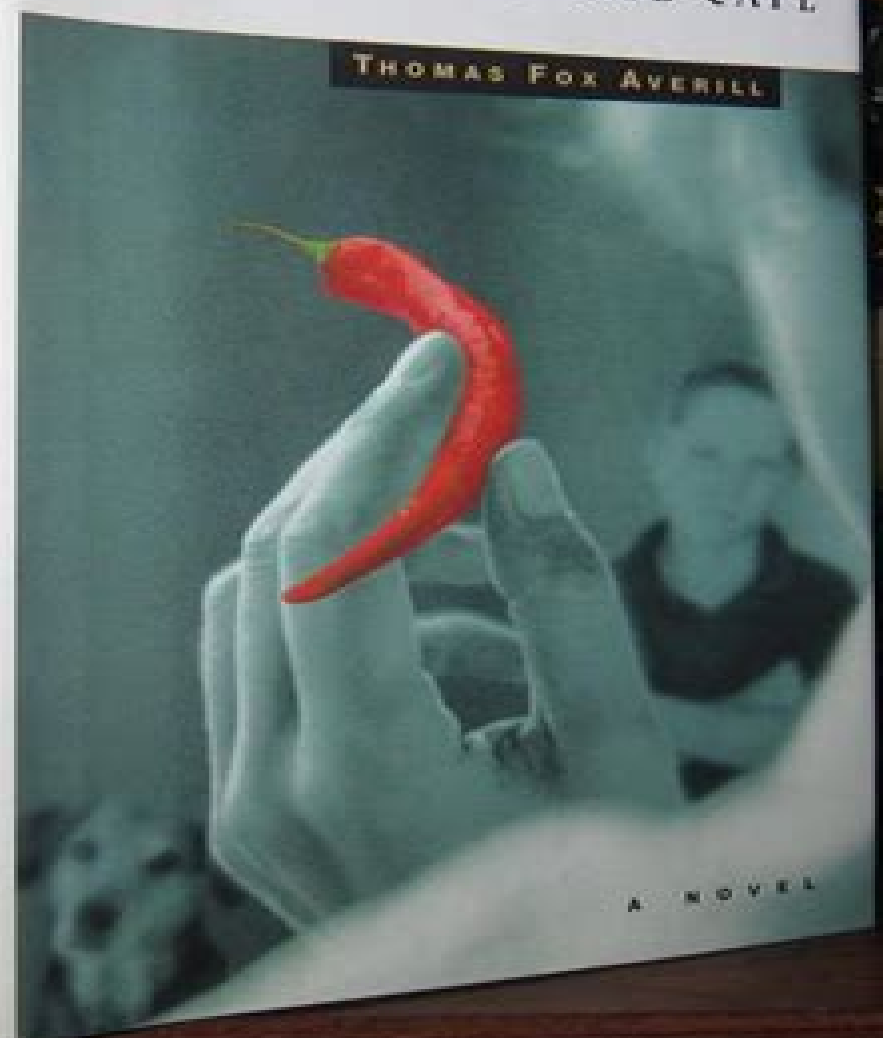

Caught between kitchens, one traditional and the other New World, Thomas quickly learns that he's also trapped by his wayward parents' secrets and complicated histories, as well as by the rich customs and complexities that are all too present in his growing up. Although Thomas dreams he escapes someday, he discovers that it isn't easy to get away.

In this lyrical and sensory novel, food is the reflection of life's deepest human truths: how this singular, multicultural family communicates their deepest needs and their greatest expressions of love. When Thomas Fox Averill serves in the family's feast of reconciliation, complex rules, recipes, and secrets everywhere will now become clear.
