

Longing For Munich

Manuele Gragnolati

Longing For Munich:

Longing for Munich Elfriede Gams,Hans Gottanka,1978 The Making of Jew Clubs Pavel Brunssen,2025-09-02 Why do non Jewish football fans chant Yid Army or wave Super Jews banners especially in support of clubs that are not Jewish The Making of Jew Clubs explores how four major European football clubs FC Bayern Munich FK Austria Vienna Ajax Amsterdam and Tottenham Hotspur came to be seen as Jew Clubs even though they have never officially identified as Jewish In this transnational study Pavel Brunssen traces how both Jewish and non Jewish actors perform Jewishness antisemitism and philosemitism within European football cultures over the 20th and 21st centuries Drawing on a wide array of primary sources from fan chants and matchday rituals to media portrayals and club histories the book reveals how football stadiums have become unexpected stages for negotiating memory identity and historical trauma Offering a new approach to Holocaust memory sports history and Jewish studies The Making of Jew Clubs shows how football cultures reflect and reshape Europe s conflicted relationship with its Jewish past Longing J. D. Landis,2014-12-16 Longing tells the story of the greatest artistic couple in history Robert Schumann and Clara Wieck They met when she was eight years old and he was seventeen drawn together first by music and then by their passion for each other Drawing on their letters and remarkably frank journals J D Landis writes of Clara and Robert s enforced separations their marriage their artistic triumphs and failures and finally their shared devotion to and love for a young genius who both came between them and brought them together for the last time Longing was a New York Times Notable Book It was also named by The Guardian London as the second finest novel about music the first being Thomas Bernhard s Loser a judgment with which Mr Landis is delighted to concur **Football, Fandom and Collective Memory** Przemysław Nosal,Radosław Kossakowski,Wojciech Woźniak,2024-06-18 This book examines the topic of identity and collective memory in football fandom Drawing on global research in history sociology and political science the book looks at how where and why football fans and supporters groups introduce particular role models into their self identity and performative narratives The book presents original cutting edge research that illustrates the complex multidimensional nature of the re formulation of collective memory and the elevation of role models It looks at the processes by which some supporters groups celebrate historical and contemporary figures including political leaders warriors revolutionaries or armed resistance groups that they believe embody patriotic regional or nationalist virtues as well as supporters groups who define their patriotism in opposition to these figures The book presents cases ranging from Ukrainian football ultras in the shadow of Russian aggression and Jewish role models in Germany s collective football memory to the symbology of Che Guevara and Diego Maradona in Brazilian and Argentinian football to hero formation and the myths of national identity in Australian football This is fascinating reading for anybody with an interest in the sociology culture or politics of sport or in fandom identity nationalism more broadly in sociology political science or history **The Herkomers** Sir Hubert von Herkomer,1910 **Desire in Dante and the Middle Ages** Manuele Gragnolati,2017-07-05

This volume takes Dante's rich and multifaceted discourse of desire from the *Vita Nova* to the *Commedia* as a point of departure in investigating medieval concepts of desire in all their multiplicity, fragmentation and interrelation. As well as offering several original contributions on this fundamental aspect of Dante's work, it seeks to situate the Florentine more effectively within the broader spectrum of medieval culture and to establish greater intellectual exchange between Dante scholars and those from other disciplines. The volume is also notable for its openness to diverse critical and methodological approaches. In considering the extent to which modern theoretical paradigms can be used to shed light upon the Middle Ages, it will interest those engaged with questions of critical theory as well as medieval culture. Louis Agassiz; His Life and Work Charles Frederick Holder, 1893

Jewish Art in Nazi Germany Dana Smith, 2022-03-27 This book provides a social and cultural history of Jewish art in Nazi Germany with a focus on the Jewish artists, art critics and audiences in Nazi Bavaria. From the time of its conceptualization in the autumn of 1933 until its final curtain call in November 1938, the Jewish Cultural League in Bavaria sustained three departments: music, visual arts and adult education. The Bavarian example steps outside the highly professional cultural milieu of Jewish Berlin and instead looks at relatively unknown efforts of Bavarian Jewish artists as they used art to define what it now meant to them to be Jewish under Nazism. Insightful and engaging, this book is ideal for advanced undergraduate students, graduate students and scholars interested in social and cultural histories of Jews in Germany.

The Life of Richard Wagner Ernest Newman, 2014-03-20 Newman's *Life of Wagner*, published between 1933 and 1947, the culmination of forty years' research, is a classic biography.

Kaethe Kollwitz Robert Joseph Fanning, 1956
