Longing for My Child Christine O'Keeffe Lafser,2010-06 **Brothers and Sisters** Henry Abramovitch,2014-11-18
Growing up we typically spend more time with our brothers and sisters than we do with our parents In an age of divorce mobility and alienation the sibling bond is often the only one that really lasts Given that brothers and sisters are such a fundamental aspect of human existence it is remarkable that they have received so little in depth attention in the field of psychology Henry Abramovitch's *Brothers and Sisters* explores the tension between the myth and reality of brothers and sisters in a variety of cultures and through the poignant brother sister stories in the Bible Abramovitch looks at the developmental sequence in the sibling relationship as brothers or sisters struggle to find their place with each other concluding with a very personal account of his own relationship with his brother and sister **Recovering from the Loss of a Sibling** Katherine Fair Donnelly,2015-05-26 An extremely well written compassionate guide for the millions of people who come face to face with a death in their own families When a brother or sister dies surviving siblings often receive little support or recognition of their pain But their grief is real and there is a way to recover from it Through intimate true stories and interviews with brothers and sisters who have lost a sibling expert on grief Katherine Fair Donnelly provides valuable insight on how to survive this traumatic experience *Recovering from the Loss of a Sibling* is the first guide dedicated to those who have lost a brother or sister and presents practical ways they can take the necessary steps toward recovering from their devastating loss *What Forever Means After the Death of a Child* Kay Talbot,2013-05-13 List of Tables List of Figures Series Editor's Foreword Preface Prologue Acknowledgements What It Means to Be a Parent After a Child Had Died The Mothers Now Childless Study Research Design and Findings When a Child Dies Does Grieving Ever End One Death A Thousand Strands of Pain Finding the Meaning of Suffering Bereaved Parents Search for Understanding The Paradox of Healing Confronting a Spiritual Crisis Where is God When Bad Things Happen Confronting an Existential Crisis Can Life Have Purpose Again Deciding to Survive Reaching Bottom Climbing Up Remembering With Love Bereaved Parents as Biographer Reaching Out to Help Others Wounded Healers Reinventing the Self Parents Ask Who Are We Now The Legacy of Loss References Resources Appendices Index **Interdisciplinary Pediatric Palliative Care** Joanne Wolfe,2022 We hope that the lives of all children will be filled with possibility with open horizons and rainbows into the future Children with serious illnesses their families and those who care for them confront the realization that not everything is possible that despite dramatic scientific and medical advances the lifespan of some children will be shortened This threat of premature loss heightens the sense of time for children and families alike and challenges clinicians to create new pathways of hope for them *Children and Death* Costa Papadatos,Danai Papadatou,2013-02-01 Selected papers from the 1st International Conference on Children and Death held in October November 1989 in Athens It was attended by over 500 participants from all over the world The Publishers Weekly ,2002 *Older and Bolder* Renata Singer,2015-08-03 For the first time in
