Longman Anthology Of Detective Fiction

Phyllis M. Betz

Longman Anthology Of Detective Fiction:

The Longman Anthology of Detective Fiction Deane Mansfield-Kelley, Lois A. Marchino, 2005 This long overdue American and British anthology of detective fiction is filled with award winning short stories inside information on the authors who wrote them discussions about the evolution of the genre and significant literary criticism **New Perspectives on**

Detective Fiction Casey Cothran, Mercy Cannon, 2015-10-14 This collection establishes new perspectives on the idea of mystery as it is enacted and encoded in the genre of detective fiction Essays reclaim detective fiction as an object of critical inquiry examining the ways it shapes issues of social destabilization moral ambiguity reader complicity intertextuality and metafiction Breaking new ground by moving beyond the critical preoccupation with classification of historical types and generic determinants contributors examine the effect of mystery on literary forms and on readers who experience the provocative complex process of coming to grips with the unknown and the unknowable This volume opens up discussion on publically acclaimed modern works of mystery and on classic pieces addressing a variety of forms including novels plays graphic novels television series films and ipad games Re examining the interpretive potential of a genre that seems easily defined yet has endless permutations the book closely analyzes the cultural function of mystery the way it intervenes in social and political problems as well as the literary properties that give the genre its particular shape The volume treats various texts as meaningful subjects for critical analysis and sheds new light on the interpretive potential for a genre that creates as much ambiguity as it does clarity Scholars of mystery and detective fiction crime fiction genre studies and cultural studies will find this volume invaluable **Classic American Crime Fiction of the 1920s** Leslie S Klinger, 2018-10-02 Classic

American Crime Writing of the 1920s including *House Without a Key* *The Benson Murder Case* *The Tower Treasure* *The Roman Hat Mystery* *The Tower Treasure* and *Little Caesar* offers some of the very best of that decade s writing Earl Derr Biggers wrote about Charlie Chan a Chinese American detective at a time when racism was rampant S S Van Dine invented Philo Vance an effete rich amateur psychologist who flourished while America danced and the stock market rose Edwin Stratemeyer a man of mystery himself singlehandedly created the juvenile mystery with the beloved Hardy Boys series The quintessential American detective Ellery Queen leapt onto the stage to remain popular for fifty years W R Burnett created the indelible character of Rico the first gangster antihero Each of the five novels included is presented in its original published form with extensive historical and cultural annotations and illustrations added by Edgar winning editor Leslie S Klinger allowing the reader to experience the story to its fullest Klinger s detailed foreword gives an overview of the history of American crime writing from its beginnings in the early years of America to the twentieth century *The African American Experience in Crime Fiction* Robert E. Crafton, 2015-06-08 An immensely popular genre crime fiction has only in recent years been engaged significantly by African American authors Historically the racist stereotypes often central to crime fiction and the socially conservative nature of the genre presented problems for writing the black experience and the tropes of justice

and restoration of social order have not resonated with authors who saw social justice as a work in progress. Some African American authors did take up the challenge. Pauline Hopkins, Rudolph Fisher, and Chester Himes led the way in the first half of the 20th century, followed by Ishmael Reed's anti-detective novels in the 1970s. Since the 1990s, Walter Mosley, Colson Whitehead, and Stephen L. Carter have written detective fiction focusing on questions of constitutional law, civil rights, biological and medical issues, education, popular culture, the criminal justice system, and matters of social justice. From Hopkins's *Hagar's Daughter* published in 1901 to Himes's hardboiled Harlem Detective series to Carter's patrician world of the black bourgeoisie, these authors provide a means of examining literary and social constructions of the African American experience. Instructors considering this book for use in a course may request an examination copy here: [The Longman Anthology of British Literature](#). David Damrosch, 2003. The Longman Compact Anthology of British Literature is a concise and thoughtfully arranged survey of British literature. Within its pages, canonical authors mingle with newly visible writers. English accents are heard next to Anglo-Norman, Welsh, Gaelic, and Scottish ones; female and male voices are set in dialogue. Literature from the British Isles is integrated with post-colonial writing, and major works are illuminated by clusters of shorter texts that bring literary, social, and historical issues vividly to life. Readers interested in British Literature: [Murder 101](#). Edward J. Rielly, 2014-08-23. This collection of essays examines how college professors teach the genre of detective fiction and provides insight into how the reader may apply such strategies to his or her own courses. Multi-disciplinary in scope, the essays cover teaching in the areas of literature, law, history, sociology, anthropology, architecture, gender studies, cultural studies, and literary theory. Also included are sample syllabi, writing assignments, questions for further discussion, reading lists, and further aids for course instruction. **Lesbian Detective Fiction**. Phyllis M. Betz, 2006-07-24. This work examines how lesbian detective and mystery fiction represents lesbian characters and experience within the confines of the genre. As this book points out, such fiction reveals the lesbian's increasing visibility in the wider society. Nevertheless, it can still be difficult to find a complete representation of lesbian life in mainstream literature. Often the best place to find the lesbian represented in books is within the pages of genre fiction, especially the detective story. This book looks at how the lesbian characters' public and private lives intersect, often at the point of coming out or of moving from isolation to connection with the community. Also considered is the lesbian detective's typical confrontation with two crucial elements of the investigator's role: the use of violence and the acquisition and expression of authority within police systems. Other topics of discussion include the cultural environments in which the stories are situated and the use of humor as a key weapon in the lesbian detective's investigative arsenal. **African American Literature**. Hans Ostrom, J. David Macey Jr., 2019-11-15. This essential volume provides an overview of and introduction to African American writers and literary periods from their beginnings through the 21st century. This compact encyclopedia, aimed at students, selects the most important authors, literary movements, and key topics for them to know. Entries cover the most influential and highly regarded African American writers, including novelists

playwrights poets and nonfiction writers The book covers key periods of African American literature such as the Harlem Renaissance the Black Arts Movement and the Civil Rights Era and touches on the influence of the vernacular including blues and hip hop The volume provides historical context for critical viewpoints including feminism social class and racial politics Entries are organized A to Z and provide biographies that focus on the contributions of key literary figures as well as overviews background information and definitions for key subjects

The Longman Anthology of Gothic Verse Caroline Franklin, 2024-11-01 Gothic verse liberated the dark side of Romantic and Victorian verse its medievalism melancholy and morbidity Some poets intended merely to shock or entertain but Gothic also liberated the creative imagination and inspired them to enter disturbing areas of the psyche and to portray extreme states of human consciousness This anthology illustrates that journey This is the first modern anthology of Gothic verse It traces the rise of Gothic in the late eighteenth century and follows its footsteps through the nineteenth century Gothic has never truly died as it constantly reinvents itself and this lively illustrated and annotated anthology offers students the atmospheric poetry that originally studded terror novels and inspired horror films Alongside canonical verse by Coleridge Keats and Poe it introduces readers to lesser known authors excursions into the macabre and the grotesque A wide range of poetic forms is included as well as ballads tales lyrics meditative odes and dramatic monologues a medievalist romance by Scott and Gothic drama by Byron are also included in full A substantial introduction by Caroline Franklin puts the rise of Gothic poetry into its historical context relating it both to Romanticism and Enlightenment historicism Although Gothic fiction has now been receiving serious critical attention for twenty years Gothic verse has been largely overlooked It is therefore hoped that this anthology will stimulate scholarly interest as well as readers pleasure in these unearthly poems

Encyclopedia of the American Short Story Abby H. P. Werlock, 2015-04-22 Two volume set that presents an introduction to American short fiction from the 19th century to the present
