DREAMS OF THE STARS Collin R. Skocik, 2013-06 On a mission to circumnavigate the universe the crew of the Eldorado discovers an entire hidden universe separated from our universe by the speed of light composed of temporal dimensions Yet the astronauts their overtaxed minds pushed beyond rational thought are increasingly unable to study the very phenomena they were sent to discover Then the fighting breaks out Colleagues gun one another down friends turn against friends and in the irrational combat the ship itself is damaged The mission itself is part of the structure of the cosmos the end of time is both the cause and the effect of the relativistic journey Human nature becomes part of the physics of spacetime and whoever controls the Eldorado controls the fate of the universe

Dreamer Who Dreams You Daniel Stone, 2012-03-16 An opening into the dream of the day and the dream of the night *A Dark Night's Dreaming* Tony Magistrale, Michael A. Morrison, 1996 *A Dark Night's Dreaming* opens by defining the shape of horror fiction today illuminating the genre's narrative themes psychological and social contexts and historical development The core of the volume focuses on the lives and major works of the six who have dramatically shaped the genre William Peter Blatty Thomas Harris Stephen King Anne Rice Peter Straub and Whitley Strieber A final chapter analyzes the complex relationship between horror fiction and its adaptation to film Looking beyond the tormented maidens madmen monsters and other archetypes of the genre these critics differentiate contemporary Gothic fiction from that of earlier generations while demonstrating that horror remains one of the most important and consistent strains connecting the diverse elements of the American literary tradition They comment on the genre's enormous popularity and undeniable influence in American society and scrutinize its changing representations of women monsters and gore The volume concludes with an extensive bibliography of primary and secondary works

Contemporary Review ,1910 **Whisper of Dreams** Derek Payne,2014-08-27 It is a race against time in a nightmare world A nightmare that began its journey over three and a half billion years ago and only now is its presence about to unfold and it wants to move on She was hoping to still his anxiety by concentrating on another aspect of their research I was reading about the state of order and disorder Clem looked surprised The world the universe and all life are in a state of disorder She cuddled closer she couldn t get enough of the comfort his body gave when close to her Energy exists forever and the Dormancy is just that energy but it is an energy that disobeys the laws of physics it s continually in a state of order Growing forever growing for billions of years it has been growing You mean the pattern that has brought life to this point is still generating to realms Clem thought for a moment Of what How do you battle that which you cannot see and whose ability you cannot measure How long is a piece of string The tale begins with a true ghost story which takes us where no ghost story has ever gone before Dreams of the Soul Miran Horvat,2013-07-25 What could be better than opening a beautiful book on a long cold winter evening and allowing oneself to be comfortably transported on the wings of imagination across different areas of the world and to experience its beauties and its dark sides or for instance take a walk through a winter forest heavily laden with soft snow which is joyously sparkling under the sunrays that are playfully penetrating the spruce tree branches and follow a walker explorer and his friend Bricky the dog The two of them are exploring the near and far surroundings of their home situated in the high mountain world The explorer s grandpa lives in that home in his younger years he was a diplomat who was sent on important missions throughout the world in order to help solve difficult global problems Even now

in his old age he is trying to help the suffering humanity He is therefore endowed with rich life experience and broad knowledge which greatly attracts the young explorer Thus an interesting conversation develops between them which takes place during the carefree time of winter holidays
