Jennifer Baumgardner, 2008-03-04 For author and activist Baumgardner bisexuality has always been more than the sexual non preference of the 90s Here she takes a close look at gay and bisexual people on the national cultural stage and the issues their growing visibility raises In a society supposedly grown more open and accepting what can it mean that bisexuality continues to be marginalized by both gay and straight cultures and dismissed either as a phase or worse a cop out Baumgardner discusses her own experience as a bisexual and the struggle she's undergone to reconcile the privilege of a woman who is perceived as straight and the empowerment and satisfaction she's derived from her relationships with women Her book is a study in bisexual lives lived secretly and openly and an exploration of the lessons learned by writers artists and activists who have refused the either/or paradigm defended by both gay and straight communities From publisher description

Carol J. Perry, 2015-10-27 In Salem Massachusetts there are secrets everywhere even in the furniture When Lee Barrett spots the same style oak bureau she once had as a child on the WICH TV show Shopping Salem she rushes to the antiques shop and buys the piece Just like the beloved bureau she lost in a fire this one has secret compartments It also comes with an intriguing history it was purchased in an estate sale from a home where a famous local murder took place The day after the bureau is delivered Lee returns to the antiques shop and finds the owner dead The

police suspect the shop owner's unscrupulous business partner but Lee wonders if the murder is connected to her new furniture. At least part of the answer may be revealed through a mirror in the bureau tarnished and blackened, allowing Lee to tap into her psychic visions. Using this bureau of investigation, Lee may be able to furnish her policeman beau with the evidence needed to catch the killer before the next one to be shut up is her. *Look Both Ways* Fiona Ballard, 2022-11-30

Salma leant forward and readjusted the rear view mirror whilst applying her cherry pink lipstick. Now seated in the driver's seat, she started the engine, her driving licence in her purse. Confirmation of a political editing post lay on the passenger seat. Yes, it had taken three years but she was proud to be behind the wheel. Briefly lost in her reverie, she recalled her journey to reach that point. Monumental changes had only strengthened her resolve to pursue her dreams whatever the cost. *Look Both Ways* Alison Cherry, 2016

The story of a girl who apprentices at a summer theater festival, hoping she's finally found a place to belong, only to learn that neither talent nor love is as straightforward as she thinks. **Looking Both Ways** D. Kirk, 2024-12-23

Listen in on their candid conversations, learn backward talk, contemplate the origin of electricity, fentanyl, and cancer-curing drugs. See the sights on this journey across side streets, the grounds of a regional medical center, and the main campus of the University of Vermont. This tale concludes following an overnight family weekend camping trip on the shores of Lake Champlain, highlighted by an afternoon cookout, evening beachside bonfire, ghost stories, and documented contact with the Lake Champlain sea monster. **Illinois Central Magazine**, 1916

One thing is for certain: we serve a God that wants you to succeed in relationships. More importantly, your singleness matters to God. God wants you to discover who you are in Him while single. Prayerfully, if you are single, God wants you to understand your value and that you can experience victory even when you are by yourself. Singleness is not a curse. Your value doesn't decrease. Your worth shouldn't be questioned. No one should ever look over you because you are focused on your relationship with Christ. If you have ever felt lonely, experienced depression because you are single, cried yourself to sleep because someone broke your heart, this devotional is to help restore those broken pieces. This is the perfect time while single to become who God has called you to be. You are a royal priesthood, a chosen generation, and your relationship with Christ is the most important relationship that you and I have to steward over while single. Desperation will encourage you to get ahead of God and settle, but destiny will inspire you to wait on God's best. I made a choice over twenty years ago as a teenager to pursue purity and the presence of God. I made a vow to God that I would stay single until my heart lined up with God's Word.

I prayed that God would use my singleness to help this next generation and young adults to have a strategy to deal with singleness in a kingdom way Single Until is a resource to embrace your singleness and to walk in the confidence of the Lord

The Great Globe and All Who It Inherit David Kellogg,2014-11-04 Every storyteller soon discovers the difference between putting a story inside children and trying to extract it with comprehension questions and putting children inside a story and having them act it out Teachers may experience this as a difference in difficulty or in the level of motivation and enthusiasm or even in the engagement of creativity and imagination and leave it at that This book explores the divide more critically and analytically finding symmetrical and even complementary problems and affordances with both approaches First we examine what teachers actually say and do in each approach using the systemic functional grammar of M A K Halliday Secondly we explore the differences developmentally using the cultural historical psychology of L S Vygotsky Thirdly we explain the differences we find in texts by considering the history of genres from the fable through the plays of Shakespeare Inside and Outside the story turn out to be two very different modes of experiencing the one reflective and narrativizing and the other participatory and dialogic These two modes of experience prove to be equally valuable and even mutually necessary but only in the long run different approaches are necessary at different moments in the lesson different points in development and even different times in human history In the final analysis though this distinction is meaningless to children and to their teachers unless it is of practical use Each chapter employs only the most advanced technology ever developed for making sense of human experience namely thinking and talking though not necessarily in that order So every story has a specific narrative to tell a concrete set of dialogues to try and above all a practicable time and a practical space for children their teachers and even their teachers teachers to talk and to think
