Predrag Cicovacki

Looking Back On Schweitzer:

Looking Back on Schweitzer Jack Fowler, 1991-01-01 *The Restoration of Albert Schweitzer's Ethical Vision* Predrag Cicovacki, 2012-04-26 In 1913 Albert Schweitzer 1875-1965 left his internationally renowned career as a theologian, philosopher and organ player to open a hospital in the jungles of Africa. There he developed in theory and practice his ethics of reverence for life. When he published his most important philosophical work *The Philosophy of Civilization*, few people were serious about treating animals with dignity and giving any consideration to environmental issues. Schweitzer's urge was heard but not fully appreciated. One hundred years later we are in a better position to do it. Predrag Cicovacki's book is a call to restore Schweitzer's vision. After critically and systematically discussing the most important aspects of the ethics of reverence for life, Cicovacki argues that the restoration of Schweitzer does not mean the restoration of any particular doctrine. It means summoning enough courage to reverse the deadly course of our civilization. And it also means establishing a way of life that stimulates striving toward what is the best and highest in human beings. **Albert Schweitzer's Legacy**

for Education A. Rud, 2011-01-03 This is the first book devoted to the study of the thought of Albert Schweitzer as it relates to educational theory and practice. Rud argues that Schweitzer's life and work offer inspiration and timely insights for both educational thought and practice in our new century. **Biblical Studies and the Shifting of Paradigms, 1850-1914**

Henning Graf Reventlow, William R. Farmer, 1995-05-01 The volume contains the contributions to a symposium in which specialists in different fields worked together in the attempt to throw by their cooperation more light on the conditions, theological convictions and worldview, political climate, influence of state officials, educational institutions and churches which were influential in the development of biblical studies in the second half of the 19th century. The discussion originated with a special problem, the thesis of William Farmer, one of the co-editors of the volume, that the appointment of Heinrich Julius Holtzmann, who defended the priority of the Gospel of Mark as the oldest synoptic Gospel, to the New Testament professorship in Strasbourg in 1872 was the result of a direct intervention of the imperial chancellor Bismarck in the context of the Kulturkampf, who wished thereby to weaken the Roman Catholic position defending the supremacy of the chair of St. Peter by the authority of the Gospel of St. Matthew Mt 16:18. The question belongs in the broader context of the presuppositions of Bible exegesis in the second half of the 19th century. As both editors agreed that the matter is not yet finally settled, it seemed to be essential for coming to deeper insights into the conditions under which biblical exegesis was enacted in the 19th century to broaden the scenery and to include other aspects that might throw more light on a period widely unknown to many scholars belonging to the present generation. Therefore specialists of different fields joined a symposium in order to elucidate from their respective viewpoints and interests basic themes and methods of biblical exegesis, scientific theology and the relations between state and university in the 19th century, especially during the period of the second Reich. But the themes were not restricted to this special area. They included also a wider outlook into the first half of the century and across

the borders of Germany into other European countries So the volume contains a collection of essays which have in common that all of them contribute to a better knowledge of the inner and outer conditions which formed climate and results of Biblical interpretation in the period

The Secret Legacy of Jesus Jeffrey J. Bütz, 2009-12-21 Shows how the true teachings of Jesus were passed down through the centuries and shaped the vision of the Founding Fathers Reveals for the first time the hidden link that connects James the Brother of Jesus the Cathars the Knights Templar and Freemasonry Shows how the Founding Fathers used these teachings enshrined in Masonic principles to build a new nation With the success of Paul's desire to impose his vision for the Church the true teachings of Jesus as preserved by his family and disciples were forced into hiding This clandestine movement was evidenced by such early groups as the Nazarenes Ebionites and Elkesaites but is generally thought to have died out when the Church of Paul branded these groups as heretics However despite the ongoing persecution by the Roman Catholic orthodoxy this underground Jewish strain of Christianity was able to survive and resist incorporation into its more powerful rival Jeffrey Bütz author of *The Brother of Jesus and the Lost Teachings of Christianity* reveals for the first time the hidden theological link that connects James the Brother of Jesus and the Ebionites with the religion of Islam the Cathars the Knights Templar and Freemasonry In *The Secret Legacy of Jesus* Bütz demonstrates how this centuries old underground stream of Christ's original teachings remained alive and how it surfaced again in Colonial America where the Founding Fathers used Masonic principles rooted in Jewish Christian teachings to establish what they believed would be a New Jerusalem With the rise of a fundamentalist Christianity this potent spiritual vision was lost but Bütz contends it can be recovered and used to bring about the reconciliation of Christians Jews and Muslims throughout the world

Dennison,2019-07-08 For three decades Mike Dennison has reported from the trenches on campaigns crime and community He has covered razor thin victories by Senator Jon Tester He has helped cover the downfall of Senator Conrad Burns as well as the conservative senator s improbable compassion for a liberal friend charged with marijuana possession Also examined are Governors Brian Schweitzer Judy Martz and Marc Racicot and Montana s longest serving U S senator Max Baucus And Dennison has tracked down stories beyond the Capitol from the devastating fall of the Montana Power Company to a teenager falsely accused of rape who waited sixteen years to be fully exonerated Dennison treats readers to the rare insights and highlights of a storied career in journalism along with revelations that have never been exposed until now [The Historical Jesus of the Gospels](#) Craig S. Keener,2012-04-13 The earliest substantive sources available for historical Jesus research are in the Gospels themselves when interpreted in their early Jewish setting their picture of Jesus is more coherent and plausible than are the competing theories offered by many modern scholars So argues Craig Keener in The Historical Jesus of the Gospels In exploring the depth and riches of the material found in the Synoptic Gospels Keener shows how many works on the historical Jesus emphasize just one aspect of the Jesus tradition against others but a much wider range of material in the Jesus tradition makes sense in an ancient Jewish setting Keener masterfully uses a broad range of evidence from the early Jesus traditions and early Judaism to reconstruct a fuller portrait of the Jesus who lived in history [The Goldilocks God](#) Guy Collins,2022-08-22 The Goldilocks God Searching for the via media explores the fertile middle ground between toxic Christianity and militant atheism Can Christianity be intellectually credible Why do our past failures and breakages offer comfort and hope How does the via media of Anglicanism offer tactics for dealing with contemporary challenges and uncertainties Whether exploring mystic Hildegard von Bingen strategic thinker Queen Elizabeth or theologians Jean Luc Marion and Sarah Coakley readers venture into a Trinitarian Goldilocks zone of faith hope and love Guy Collins makes a creative and heartfelt case for a spiritual thermodynamics of trial and error promise and glory Illuminating ancient Christian practice with cutting edge philosophy and theology he reveals the lifelong habits that are just right for encountering the mystery of God
