This is a book of wisdom and understanding of our innermost feelings. It will leave you in deep thought and it will force you to look at life differently. The book invites you to be a witness to God's unconditional love through His grace and mercy. If there is doubt, this will give you courage. If you are struggling with challenges, this will give you the willpower to overcome and move on. You will not be able to put it down. You will want to go back and reread it time and again. **Heaven Sent Me Kevin** Sunnie McCant-Washington, 2025-06-23 Kevin came running in my room screaming. Make it stop. Make it stop. I want it to stop now. He had his hands over his ears and he was crying. I didn't know what to do or say. I just held him for hours trying to calm him down. As I held him, I could only pray to ask God to help me because I didn't know what was happening. I never expected for him to react this way to the voices in his head because he referred to the voices as his friends and he had once told me that he didn't want them to go away. This is the heartfelt true story of a woman who vowed to provide the best life possible for her precious son Kevin. When Kevin was five years old, he was diagnosed with ADHD and later he was diagnosed with paranoid schizophrenia. Throughout the many struggles of being a single mother of four, her strength came from her personal relationship with God and unconditional love for her son. American Book Publishing Record, 2004 So ... You Are Tired of Being a Lame Duck Mary Jane Grange R. N., 2010-07 A nurse relies on her faith to explore and describe the layers of attention deficit disorders that accumulate in children and adults. *Faith in Crisis* Sharon McMahon Miller, 2015-01-22 This book emphasizes concepts rooted in Christian faith to empower readers with creative suggestions that help them overcome the daily challenges of raising a child diagnosed with attention deficit hyperactivity disorder. The author draws on her personal experiences as a parent of a child diagnosed with attention deficit hyperactivity disorder. **Pain, Perseverance, and Privilege** Dr. Carl Krause, JoLynn Krause, 2016-12-09 Seeking fruitfulness and not just productivity. Understanding how to make tough transitions in life. Looking at struggles not as problems to be solved but as currents pushing us toward reliance on God. All this and so much more is found in the pages of this book. But the real genius of this book is this: that all of these lessons are embedded in the lives of two remarkable people, Carl and JoLynn Krause. They would be the first to tell you that it is their God who is remarkable. And that's true too. But in them, we discover a humility, honesty, transparency, and moldability into which God has delightfully poured the deep truths of what it means to serve him well and walk with him intimately. Dr. Douglas Baker, Lead Pastor, Faith Community Church, Carlsbad, CA, Adjunct Professor, Biola University. I wish that I knew what I know now when I was younger. Lyrics from the pop song writer/singer Rod Stewart. Through Carl and JoLynn's life story and ministry principles are presented in this memoir that are so real and beneficial to all. You will laugh, you will cry, you will identify, and be blessed. They have experienced trials from both sides: the ones in need of God's loving care and then equipped as the caregivers. Thanks and God's continued blessings to the Krauses for loving and assisting our family and so many others around the world to make our calling possible. Their care, along with God's intervention, has rescued those who were drowning and breathed life back into their ministries in very difficult places. Sharon
