H. LaVern Schafer

Maturing In Christ:

Maturing in Christ H. LaVern Schafer, 2010-09 *Maturing in Christ* focuses on Christian truth that relates to living a successful spiritual life Before a Christian can realize a consistent victorious spiritual life some basic truths must be understood 1 the riches given by God at salvation to live Christ like 2 who the spiritual enemies are and how they attack 3 and how to utilize divine enabling when resisting the enemies in order to live a successful Christian life The Christian has three spiritual enemies Satan the world system and the sin nature Dr Schafer uses Scripture to identify these adversaries and how to access God's provisions for the strength to be victorious over them This expository study of the Word is dedicated to Dr Schafer's lifelong desire for saints to live Christ like H LaVern Schafer served the Lord in several capacities for over 65 years as a Christian He was pastor for 53 years seminary professor for 44 years and director of Dispensational Theological Seminary for 28 years He earned his Doctorate of Theology from Dallas Theological Seminary where his class was one of the last taught by Dr Lewis Sperry Chafer Dr Schafer practiced a literal interpretation of Scripture He believed that God's Word is meant to be interpreted literally to determine the exact concepts God is communicating and not what the reader wishes the Word to say This desire resulted in a dispensational approach while interpreting Scripture with a historical linguistic treatment of the original text His Christian Life series of booklets have been a blessing to thousands of believers He went home to be with the Lord in 2008 *Maturing in Christ* Grace Bible College & Seminary, 2016-08-14 The first part of the course presents illustrations of growth emphasizing the growth of Jesus Included also are descriptions of natural growth to illustrate spiritual growth There is comment on hindrances and helps to spiritual advancement Then the course centers on progress in spiritual growth Since maturing in Christ is a lengthy process an effort is made to separate present goals for the believer from the more difficult goals for his future It is emphasized that our progress includes cooperation with the Holy Spirit and sharing faith with others Finally proofs of Christian maturity are stressed Increasing Christlikeness of the believer's character and ministry are presented as evidences of spiritual growth and the course ends with an emphasis on the transformation of the believer by the Holy Spirit *Growing in Godliness* Lindsey Carlson, 2019-05-17 Hands down my favorite book for teen girls Rosaria Butterfield author *The Gospel Comes with a House Key* Your teen years matter Of all the ways you're learning and changing during the busy teenage years your growth in Christ is the most important God intends to use your teen years as a launching pad into a lifelong pursuit of looking more like Jesus This book will help you prioritize your Christian growth pointing you to the resources God has given you in his Word in prayer and in the church offering help for managing your emotions watching your words and bearing spiritual fruit and challenging you with ways to center your life around this important task Even as a teenager you have all it takes to grow in godliness **Growing Your Faith** Jerry Bridges, 2014-02-27 When we are gripped by the astonishing fact of Christ's love for us we want to draw close to Him and worship Him But what can we do to deepen our relationship with Jesus What does He expect of us And how can we be more

like Him Navigator author Jerry Bridges presents the essential elements of Christian life in a highly readable practical form that men women and teens can enjoy Learn how to Feed your spiritual life by taking in the Scriptures Rely on the Holy Spirit in obedience and prayer Trust God during the trials of life Contribute your unique spiritual gifts to serve others These essentials of the Christian faith can help you disciple others **Aiming at Maturity** Stephen W. Rankin,2011-11-11 It seems that much of American Christianity has lost sight of the goal of growing to maturity in Christ This loss of vision has had serious consequences for the quality of our witness and ministry In Aiming at Maturity Steven W Rankin seeks to bring back into focus key qualities of spiritual maturity and summarizes important biblical passages to show the scriptural foundations that call for spiritual maturity Rankin also addresses certain tendencies in popular Christian culture to reduce doctrinal truths to sound bites with the laudable but counterproductive goal to make doctrine memorable therefore applicable Thinking more expansively about certain key doctrines related to the work of Christ and the impact of grace contributes to growth toward maturity in a way that popular descriptions of these doctrines do not Finally Rankin also challenges readers to consider the important role of emotions in developing Christlike dispositions which contribute toward producing the fruit of a mature Christian life By looking at relevant modern research Aiming at Maturity shows the inherent connection between thoughts and feelings that draw us closer to the actual biblical description of the heart **Understanding Spiritual Maturity** C. V. White,2015-07-13 Do you know your age in Christ All parents want their children to grow up to be responsible and functioning adults God is the same way about His children He expects certain things from babies young children young men young adults and fathers How far have you come since you were saved You owe it to yourself to find out your level of maturity in Christ This book will help you **Maturing in Christ** Murl Silvey,Bev Silvey,2015-01-30 Are you stuck in your Spiritual Growth Have you become complacent in your relationship with God Maturing in Christ A Lifetime Journey is a hands on book to get you unstuck Often we stop growing in our relationship with God Jesus Christ and the Holy Spirit And unfortunately we stop growing in our relationships with others Are you stuck Do you want to remain stuck or grow Open this book and get started so that your relationships will again become meaningful and fulfilling for you and others and you can become the individual God wants you to be *Be Mature (James)* Warren W. Wiersbe,2010-01-01 Perhaps of all the books in the New Testament James most squarely focuses on results His pull no punches approach to spiritual maturity his preference for action over words makes his text the perfect backdrop for a study of how to grow in our faith Beloved author and teacher Warren Wiersbe leads you through this practical book with advice on how to overcome temptation controlling the tongue effective prayer and how to practice what the Bible teaches If you re going to make progress in these areas you will need a growing faith and dependence on Christ because as James claims Every good and perfect gift is from above Now with study questions and updated foreword by Ken Baugh Be Mature makes the perfect guide through your study of James Trust Warren Wiersbe s 40 years of experience to instruct you on important truths from God s Word **Maturing in Christ**

- **Instructor's Guide** Grace Bible & Seminary, 2016-08-07 Christian maturity is the aim of every believer and the goal is to reach the very height of Christ's full stature Ephesians 4:13 This course teaches that although we cannot become completely like Christ we are to reach for this highest of goals that the Bible sets for us since this will enable us to achieve more than accomplishing a goal that is too low
