Matusow Affair:

McCarthyism vs. Clinton Jencks Raymond Caballero, 2019-08-22 For twenty years after World War II the United States was in the grips of its second and most oppressive red scare The hysteria was driven by conflating American Communists with the real Soviet threat The anticommunist movement was named after Senator Joseph R McCarthy but its true dominant personality was FBI director J Edgar Hoover who promoted and implemented its repressive policies and laws The national fear over communism generated such anxiety that Communist Party members and many left wing Americans lost the laws protections Thousands lost their jobs careers and reputations in the hysteria though they had committed no crime and were not disloyal to the United States Among those individuals who experienced more of anticommunism s varied repressive measures than anyone else was Clinton Jencks Jencks a decorated war hero adopted as his own the Mexican American fight for equal rights in New Mexico s mining industry In 1950 he led a local of the International Union of Mine Mill and Smelter Workers in the famed Empire Zinc strike memorialized in the blacklisted 1954 film *Salt of the Earth* in which wives and mothers replaced strikers on the picket line after an injunction barred the miners themselves But three years after the strike Jencks was arrested and charged with falsely denying that he was a Communist and was sentenced to five years in prison In *Jencks v United States* 1957 the Supreme Court overturned his conviction in a landmark decision that mandated providing to an accused person previously hidden witness statements thereby making cross examination truly effective In *McCarthyism vs Clinton Jencks* Caballero reveals for the first time that the FBI and the prosecution knew all along that Clinton Jencks was innocent Jencks s case typified the era exposing the injustice that many suffered at the hands of McCarthyism The tale of Jencks s quest for justice provides a fresh glimpse into the McCarthy era s oppression which irrevocably damaged the lives careers and reputations of thousands of Americans

for Confusion Richard M. Fried, 2022-10-15 This new biography of Joseph R McCarthy shows how the Wisconsin Senator's campaign against American Communists prized sensation above truth McCarthy often put aside his hunt for Reds while he pursued his anti communist critics He fought foes not just with noisy accusations but with covert gossip He was gullible enough that some con artists managed to lure him on wild goose chases The man who charged others with being dupes was sometimes one himself Historian Fried's book builds on over a decade's research in a multitude of sources many of them newly opened not just McCarthy's own papers but those of forty seven Senate colleagues plus records of journalists observers and activists It brings to light such theatrical episodes as a CIA op against McCarthy as well as Joe's quixotic search for Soviet security chief Lavrenti Beria in Spain The resulting multi focal perspective on the political and institutional setting in which McCarthy operated with such abandon is full of drama **Palomino** James J. Lorence, 2013-05-15 The first

American Radical D. D. Guttenplan, 2024-05-01 Popular Front columnist and New Deal propagandist Fearless opponent of McCarthyism and feared scourge of official liars Enterprising independent reporter and avid amateur classicist As D D Guttenplan puts it in his compelling book I F Stone did what few in his profession could he always thought for himself America's most celebrated investigative journalist himself remains something of a mystery however Born Isidor Feinstein in Philadelphia raised in rural New Jersey by the age of 25 this college drop out was already an influential newsman and enjoying extraordinary access to key figures in New Deal Washington and the friendship of important artists in New York It is Guttenplan's wisdom to see that the key to Stone's achievements throughout his singular career and not just in his celebrated I F Stone's Weekly lay in the force and passion of his political commitments Stone's calm forensic yet devastating

reports on American politics and institutions sprang from a radical faith in the long term prospects for American democracy His testimony on the legacy of American politics from the New Deal and World War II to the era of the civil rights struggles the Vietnam War and beyond amounts to as vivid a record of those times as we are likely to have Guttenplan's lively provocative book makes clear why so many of his pronouncements have acquired the force of prophecy *The New Encyclopedia of American Scandal* George C. Kohn, 2001 Covering people and events from the 1630s to the present day this reference offers 455 entries on such topics as dirty politics white collar scams botched cover ups tawdry love affairs and despicable acts of corruption **I Was a Communist for the FBI** Daniel J. Leab, 2010-11 Who is Matt Cvetic Hero Scoundrel Mole The man who loosely provided the inspiration for the B Grade cult movie *I Was a Communist for the FBI* had a life that was marred by alcoholism damaged expectations and greed Cvetic at the request of the FBI joined a Pittsburgh branch of the CPUSA in 1943 He became one of many plants in the Party during that decade and gained the nickname Pennsylvania's most significant mole However because of his erratic behavior the FBI fired him in 1950 at which time he surfaced and suddenly became a celebrity through his testimony before the HUAC hearing Journalist Richard Rovere described Cvetic as a kept witness a term that fits those who made a business of being witnesses thereby befouling due process Cvetic was the subject of a multipart series in the *Saturday Evening Post* The articles bordered on fiction but they gave Cvetic the national exposure he needed to secure a screen deal Warner Brothers bought the story made the movie and enhanced Cvetic's celebrity as pop icon In the mid 1950s Cvetic was discredited as a witness by the courts His career ended and he found a new niche on the Radical Right yet he died in 1962 after years of fighting to uphold his image with the media Today Cvetic's image is dimly remembered as he continues to fight the Red Menace on late night television Leab juxtaposes Cvetic's real life with his reel life He chronicles his fall from grace yet admits that Cvetic's life offers fascinating and useful insights into the creation merchandising and distribution of a reckless professional witness Leab also writes about Cvetic's life prior to his involvement with the FBI his glory days and shows that there is much to be learned from the story of an anti Communist icon **The Zapruder Film** David R. Wrone, 2003 David Wrone one of the nation's foremost authorities on the JFK assassination reexamines Zapruder's film with a fresh eye and a deep knowledge of the forensic evidence
