**George Burns and Gracie Allen** Cynthia Clements, Sandra Weber, 1996-08-23 In the minds of today's audiences George Burns was a solo act But in the history of show business he will long be remembered for his work with Gracie Allen Few performers have enjoyed so much popular and critical acclaim Together they enjoyed phenomenal success in vaudeville radio television and film Although they were celebrities the two performers enjoyed a life remarkably free of scandal After the death of Allen in 1964 Burns made commercials a music video and an exercise video He wrote books and won numerous awards and his nightclub and convention appearances did not stop until shortly before his death Through a thoughtful biography and detailed entries this book serves as a comprehensive reference to the careers of Burns and Allen together and individually The biography summarizes their rise as vaudeville

performers their work in a range of media and Burns continued achievements after Allen's death. Sections of the book cover their work on the stage, on radio, on television, and in films. Each section provides detailed entries for their performances, including cast and credit information, plot synopses, and review excerpts. Appendices list their awards, personal appearances, and archives, and an extensive annotated bibliography cites and discusses sources of additional information. *Historical Dictionary of American Cinema* M. Keith Booker, 2021-06-01 One of the most powerful forces in world culture, American cinema has a long and complex history that stretches through more than a century. This history not only includes a legacy of hundreds of important films but also the evolution of the film industry itself, which is in many ways a microcosm of the history of American society. *Historical Dictionary of American Cinema*, Second Edition, contains a chronology, an introduction, and an extensive bibliography. The dictionary section has more than 600 cross-referenced entries covering people, films, companies, techniques, themes, and subgenres that have made American cinema such a vital part of world culture. **Tarzan Forever** John Taliaferro, 2002-01-15 A biography that takes a penetrating look at Edgar Rice Burroughs, the writer who invented the superhero of the century, Tarzan, whose adventures continue to enthrall audiences. Photos. Maureen O'Hara Aubrey Malone, 2013-09-12 Ang Lee, b. 1954, has emerged as one of cinema's most versatile, critically acclaimed, and popular directors. Known for his ability to transcend cultural and stylistic boundaries, Lee has built a diverse oeuvre that includes films about culture clashes and globalization (*Eat Drink Man Woman* 1994) and *The Wedding Banquet* 1993, a period drama (*Sense and Sensibility* 1995), a martial arts epic (*Crouching Tiger, Hidden Dragon* 2000), a comic book action movie (*Hulk* 2003), and an American western (*Brokeback Mountain* 2005). *The Philosophy of Ang Lee* draws from both Eastern and Western philosophical traditions to examine the director's works. The first section focuses on Taoist, Confucian, and Buddhist themes in his Chinese language films, and the second examines Western philosophies in his English language films, but the volume ultimately explores how Lee negotiates all of these traditions, strategically selecting from each in order to creatively address key issues. With interest in this filmmaker and his work increasing around the release of his 3-D magical adventure *The Life of Pi* 2012, *The Philosophy of Ang Lee* serves as a timely investigation of the groundbreaking auteur and the many complex philosophical themes that he explores through the medium of motion pictures. **Joan Fontaine** Marsha L. Beeman, 1994-03-23 Always in competition with her older, more famous sister, Olivia de Havilland, Joan Fontaine had a varied and successful career of her own. She eventually attained stardom for her work in the film *Rebecca*, which won the 1940 Academy Award for best picture. The following year she won the Academy Award for best actress in *Suspicion*, beating out her sister for the coveted prize. This book tells the story of her fascinating career and provides full information for her many performances. A short biography of Fontaine begins the book and overviews the rivalry between Fontaine and her sister, her disappointing marriages, her illnesses, and her productive and rewarding career as an entertainer. Chapters then provide detailed information for her films, radio, and television shows and stage appearances. Each chapter contains individual entries for her productions, with entries

providing cast and credit information a plot summary a critical analysis and excerpts from reviews An annotated bibliography provides information about books and articles related to every aspect of Joan Fontaine's life and work *Lillian Russell* Donald R. Schwartz, Anne A. Bowbeer, 1997-09-16 In this thorough study of Lillian Russell chapters provide detailed entries of her performances and extensive bibliographic information Roscoe Fatty Arbuckle Robert Young, 1994-06-14 Roscoe Fatty Arbuckle had an interesting and varied career as a vaudeville monologist musical comedy star and silent film comedian writer director and producer He was also the subject of scandal having been accused of rape and murder in 1921 Though he was never indicted on these charges and was acquitted of manslaughter his reputation was tarnished and the incident is alluded to even today This book draws upon extensive research to provide an objective record of his life and work The biography portion of the volume overviews Arbuckle's many accomplishments and sheds light on his controversial life Much of the material in the book comes from exclusive sources such as the tape recorded memoirs of Arbuckle's first wife and the author's recent lengthy correspondence with the comedian's third wife and widow Also included are two interviews with Arbuckle from 1916 and 1931 and a 1931 article about the path of his career after his scandal The bulk of the volume provides entries for Arbuckle's theater and film work These entries provide cast listings plot summaries and critical commentary An extensive annotated bibliography lists books and articles of additional interest *Betty Comden and Adolph Green* Alice M. Robinson, 1994 This reference provides a detailed overview of the work of Betty Comden and Adolph Green who for over fifty years have collaborated on skits musicals revues and films The book begins with a biography and a chronology which serve as a summary of the major events in their lives and careers Then there are six sections detailing their work on Broadway Other sections then document their radio and film work The sections contain entries for all of the productions with which Comden and Green were involved and the entries provide full information about the performances including cast lists plot summaries reviews and commentaries These sections are followed by an extensive bibliography and an appendix that lists the awards and nominations that Comden and Green and their works have received A thorough index adds to the usefulness of the book **Bibliographic Guide to Theatre Arts** New York Public Library. web we can calculate this answer in steps we start with differentiating in terms of the left most variable in  $xyz$  so here we start by taking the derivative with respect to  $x$  first  $f(x) = 4\cos(4x)yz$  then  $f'(x) = -16\sin(4x)yz$   $f''(x) = -64\cos(4x)yz$  finally  $f'''(x) = 256\sin(4x)yz$
