Max Beckmann Peter Selz, 1996 Even now some forty five years after his death the works created by Max Beckmann exert an intense influence on contemporary art His piercing self portraits his enigmatic yet compelling triptychs his incisive prints all have earned him a well deserved reputation as a creator of provocative work that is both emotionally and intellectually stimulating Born in Leipzig Germany in 1884 Beckmann lived an international life studying and working in Weimar Frankfurt Paris and Berlin Successful almost from his earliest days as a professional artist he exhibited work to acclaim throughout Europe and America With the Nazis rise to power his style and his subjects became dangerously out of fashion and he was forced into exile first to Amsterdam where he spent World War II and eventually to the United States where he died in New York in 1950 Although some scholars have categorized Beckmann as a German Expressionist he always resisted belonging to any group asserting that the greatest danger which threatens mankind is collectivization He also resisted abstraction remaining passionately committed to the figure throughout his long career His paintings have much to say about sex politics and religion which is no doubt why they so outraged the Nazis and no doubt why they have remained so absorbing to new generations of admirers About the Modern Masters series With informative enjoyable texts and over 100 illustrations approximately 48 in full color this innovative series offers a fresh look at the most creative and influential artists of the postwar era The authors are highly respected art historians and critics chosen for their ability to think clearly and write well Each handsomely designed volume presents a thorough survey of the artist s life and work as well as statements by the artist an illustrated chapter on technique a chronology lists of exhibitions and public collections an annotated bibliography and an index Every art lover from the casual museumgoer to the serious student teacher critic or curator will be eager to collect these Modern Masters And with such a low price they can afford to collect them all *Max Beckmann in Exile* Max Beckmann, 1996 Distributed by Abrams Exhibition 10 9 96 1 5 97 **Max Beckmann** Max Beckmann, Zentrum Paul Klee, 2006 Max Beckmann Dream of Life ISBN 3 7757 1695 5 U S 55 00 Hardcover 9 25 x 12 5 in 176 pgs 90 color and 100 b w Item June Art Max Beckmann Max Beckmann, 1931 *Max Beckmann Prints from the Museum of Modern Art* Max Beckmann, James L. Max Beckmann: On My Painting Max Beckmann, 2013-09-05 Max Beckmann is widely acknowledged as one of Germany's leading twentieth century artists A figurative painter throughout his career Beckmann depicted the world around him with an unparalleled intensity His art emerges directly from his experiences of the First and Second World Wars the political upheavals of the 1920s and 1930s the rise of Nazism exile in Amsterdam and his final emigration to the United States By capturing the objects and events that surrounded him Beckmann hoped to grasp the deeper mysteries underlying human existence He perceived and painted the world as a vast stage at once real and magical upon which his own life and the traumas of contemporary history were closely intertwined On My Painting can give a valuable insight into understanding his work It was composed in 1938 at a crucial juncture in Beckmann's life just a year after he was included the Degenerate Art exhibition in Nazi Germany It was read by him at the opening of the Twentieth Century German Art exhibition With an introduction by Mayen Beckmann the artist's granddaughter and an afterword by Sean Rainbird *Max Beckmann* Max Beckmann, 1947
