Max And Helen:

Max Dutch Medford,2023-01-16 Max By Dutch Medford The idea for this book came in the form of a dream that spurred the author into writing Max a spellbinding tale of a man finding a 7 tall black metal statue and a small black box made of the same unique material in a debris mound in a strangely formed gulch in Colorado Later he discovers that the little black box was the power source that brought the statue to life This is the story of David and Max s fearful first encounter and their eventual bond of friendship that leads the two to journey through the dark side of our Government s power and determination to capture the alien and David with the goal to discover and take position of the two alien crafts hidden somewhere in a chamber in the Colorado mountains This is book one of two books planned in this series Warning once you start reading this book you will not want to put it down Amazing Gracie Sherryl Woods,2017-12-18 When Gracie MacDougal returns to Seagull Point Virginia seeking to reform her workaholic ways she discovers more than relaxation The picturesque town calls to her as does the waterfront Victorian house she envisions as the perfect bed and breakfast But one person stands between Gracie and her new goal and he isn t budging Southern charmer Kevin Daniels isn t interested in selling Gracie s dream house but he s definitely interested in something else her Enticing the uptight businesswoman into letting down her hair becomes his new mission in life but beyond that He already has way too many people depending on him and has no intention of adding one more Gracie s not looking for a home Kevin s not looking for a wife But sometimes even the best intentions can wind up going wonderfully awry Ayrshire Herd Record Ayrshire Breeders' Association,1921 A Practical Guide to Ubuntu Linux Mark G. Sally Bianco Mystery Series Rohn Federbush, 2015-09-16 *Sally Bianco Mystery Series* The shenanigans of this aged nonconformist battle crimes to maintain her fight for justice. 75 k The Legitimate Way Recently widowed and retired as a University of Michigan administrator, Sally is bitten by the investigative bug to clear an innocent friend of a murder charge. She travels to her hometown to seek out the missing, abused woman, the supposed victim of the murder, only to be courted by a high school acquaintance, John Nelson, who has never married because of his unspoken love of Sally. The woman is safely found and her husband is charged with killing

his second wife Sally and John Nelson start a detective agency in Ann Arbor without cases to work on until Sally's painter friend's husband dies. The chemistry professor has been working on a failed drug cure. One of the artist's stepsons links his hate-filled motives to those of an art dealer, a pawn of the dead professor's scheming boss. Two of the three villains die, and the stepson goes to jail for the arson of two homes, one of which was Sally and John's dream home. 57 k The Appropriate Way Married to John Nelson, Sally takes up residence in her hometown in John's parents' home. At their wedding reception, they are invited to visit the local renovated Dunham Castle. When they arrive, the father of the hostess announces his home next door has burnt down. The body found inside is not tall enough to be his wife. Set in this investigative frame, Sally reminisces about a high school suicide and its links to the present violence. Unfortunately, the crazed castle hosts pent-up frustrations target Sally. He shoots and kills John instead. Blackmail, prostitution, infidelities, suicide, and murder are all laid bare. 48 k The Records Way Back in Ann Arbor and still a contributing partner in a detective agency, Sally invites a retreat participant to confide in her. The young woman had been a nurse when three patients died from their doctors' neglect. She joined the army and served in Iraq. Once discharged, she rescues an attack dog. She's been blackmailing the three doctors involved to feed a diet pill addiction. Unwilling to cease the financing of her habit, she allows her dog to attack Sally. www.rohnfederbush.com rohn.comcast.net Favorable reviews are posted on Amazon and on my website. When Maggie Messina, owner of the Black Sheep Knitting Shop, is invited to give knitting workshops at a Berkshire's spa resort, she manages to negotiate a cottage that fits all five of the Black Sheep for what promises to be a weekend of knitting bliss. But while the friends are expert at counting stitches, they haven't counted on murder. Guests and staff at the Crystal Lake Inn are as varied as a mixed bag of yarn, but most colorful is certainly the owner, charismatic self-help guru and former psychiatrist Dr. Max Flemming. The doctor may have told all in a revealing autobiography, but from his ex-wife to the widow of his former business partner, both employees at the inn, Max seems mired in shadows from his past. And when a killer strikes during a mountaintop retreat, the Black Sheep wonder what the good doctor might be hiding. The police seem to be following the wrong thread. But while Maggie's workshops have given the knitters a unique view of the tensions at the little inn, can they make sense of a crime that is as complexly stranded as a Fair Isle sweater? When the killer murders a second time, the Black Sheep wonder if they've dropped a stitch and put themselves in mortal danger.
