Ediz. inglese e tedesca Max Cole, 2000 Max Cole's formal vocabulary refined over a period of three decades suggests an attempt to reduce painting to its bare essentials Cole's insistent horizontal stripes the most immediately striking element of her work refer not only to landscape that most stabilizing component of human perceptual experience but also the wave forms which we associate with the transmission of energy Her work displays a preternatural power of concentration and a control over the interpenetrations of pattern and noise Cole's paintings give us a glimpse of the infinite Born in Kansas in 1937 Cole began exhibiting her work in the early 1960s Her work has been shown at numerous museums and galleries internationally including the Los Angeles County Museum of Art the Corcoran Gallery of Art Washington D C and the Whitney Biennial She has also received several prestigious grants and fellowships including the Visual Artist's Fellowship and a grant from the National Endowment for the Arts **Max Cole** Max Cole, 2007 *Max Cole: Works 1970-2017* Max Cole, 2019-05-21 Over the course of five decades California based painter Max Cole born 1937 has refined her visual language into a series of vertical and horizontal lines and a restrained palette of gray black and white With up to 80 layers of paint her paintings also comprise areas of unpainted linen subtly interchanging the texture of paint with the texture of fabric Upon closer inspection these paintings reveal tiny imperfect hatch marks that when examined from afar oscillate As Cole says The result is quiet inward and meditative transcending the physical Cole developed as an artist in Los Angeles in 1964 78 began showing at Sidney Janis in 1977 and then moved to New York while also maintaining a studio in Germany and exhibiting in Europe during the 80s and 90s She now lives and works in the Sierra foothills of northern California Her work is in the permanent collections of the Metropolitan Museum of Art MoMA and Albright Knox Art Gallery This volume presents an overview of Cole's career over the past half century **Max Cole** Max Cole, 1993 *Erik's Revelation* Carmen DeSousa, 2021-06-08 When Erik Belgarde sets off to find the truth about his past he encounters Kimi Bennett a woman running from her present Erik remembers the day Adam Belgarde found him in the forest He remembers the day Adam brought him home to Claire Belgarde and his new brothers Erik grew up with everything a child could want a mother and father who loved him who came to his rescue when he had night terrors who greeted him with the same loving smiles and hugs they offered their own children The love of his adopted family had made it possible for Erik to suppress the memory of the couple screaming at each other waiting for their wrath to turn his way As far as he knew his real parents had died in the woods and Adam Belgarde had rescued him Now he discovers it was all a lie The Belgardes lied to him from the beginning Why While searching for answers about his past Erik witnesses a runaway horse and runs head on into Kimi Bennett literally while trying to rescue a child Although Erik and Kimi constantly butt heads he can't help but admire how she loves horses and his beautiful home state of Alaska When authorities start asking questions about the new horse whisperer in town though
