The Art Lover: A Novel Carole Maso, 2017-04-11 While her father and best friend are dying a young American woman tries to find the limits of love and the power of art in the face of the inevitable What is the power of art in the face of death In The Art Lover Carole Maso has created an elegant and moving narrative about a woman experiencing and reliving the most painful transitions of her life Caroline the novel's protagonist returns to New York after the death of her father ostensibly to wrap things up and take care of necessary business where her memory and imagination conspire to lay before her all her griefs and joys in a rebellious progression In different voices employing a collage like fragmentation Maso gently unfolds The Art Lover in much the same way the fragile and prehistoric fiddlehead fern unfolds throughout the novel bringing with subtle grace the ever entangled feelings of grief and love into full and tender view Various illustrations throughout

The Art Firm Pierre Guillet de Monthoux, 2004 The Art Firm explores the seemingly unorthodox alliance of the arts management and marketing Art firms as avant garde enterprises and arts corporations have existed for at least two hundred years using texts images and other types of art to create corporate wealth This book investigates how to apply the methods artists use in creating value to the methods more traditional managers use in running their businesses Guillet de Monthoux offers a crash course in aesthetics from Kant to Gadamer showing how aesthetic management and metaphysical marketing can create value Using case studies of successful art managers from Richard Wagner to Robert Wilson the author illustrates the creative role so central to value making in contemporary economies performed by aesthetic play in art firms Along the way Guillet de Monthoux points out how responsible aesthetic management and marketing can eradicate the problems of banality and totality the two capital sins of an art based economy
