Maximizing Your Marriage A Ten Session Marriage Enrichment Course For Couples Leaders Guide:

Maximizing Your Marriage Daryl G. Donovan, 2004-09 God intends for marriage to be one of the most satisfying relationships you will ever experience Like our relationship with Christ your relationship with your spouse should be a source of joy peace life and love But many marriages miss God s plan The facts are that only about half the couples who go to the altar remain married and many of those who do not divorce find themselves in frustrating relationships full of pain and conflict Maximizing Your Marriage is an interactive mentoring course for couples based on solid biblical principles about God s design for marriage Ten weekly sessions provide plenty of tools that get couples headed in the right direction to experience and enjoy all God wants for them And the course concludes with an overnight retreat which offers couples the opportunity to renew their vows Maximizing Your Marriage is an adventure that will bring refreshment and encouragement to any marriage It s a great investment for a healthy relationship that reflects Jesus Christ Sessions include Mutual Submission To Christ The Wonder Of God s Oneness A Promise To Be Kept Expectations vs Godly Assignments Stop Talk and Listen Listen Listen In Pursuit Of Understanding Finding A Firm Financial Foundation The Reward Of Raising Children Intimacy In Every Way Fueling The Flames Of Your Marriage The Getaway Daryl G Donovan is currently the senior pastor of Sanibel Community Church in Sanibel Florida He has served in pastoral ministry for nearly three decades and been extensively involved in premarital and marriage counseling Donovan received his D Min degree from San Francisco Theological Seminary Other books by Donovan include Able To Stand Men Mentoring Men Men Mentoring Men Again The Inheritance and Mentoring For Marriage *Marriage and Family* James P. Trotzer, Toni B. Trotzer, 1986 This book provides readers with the knowledge and skills needed to engage effectively in marriage and family life The first chapter provides an overview of the book s content Concepts relative to individual growth and development and the movement toward intimacy are presented with emphasis on the teenage young adult and adult phases of the life cycle The second chapter makes a case for knowing oneself as a basis for making effective choices in marriage and family life The third chapter explores interpersonal relating as a foundation for the process of relationship development in the context of marriage and family life The fourth chapter investigates the nature and impact of common factors which form today s environment The fifth chapter explores the impact of one s family of origin and the sixth chapter explores the process and experience of dating and courtship The seventh chapter addresses the meaning and experience of marriage The concept of commitment and the importance of love and respect are stressed The eighth chapter discusses the family as a system The ninth chapter addresses the special issues and problems of a remarried life Dynamics of healthy family functioning that account for forming an effective new unit while honoring legacy connections of past relationships are stressed The tenth chapter presents an overview of professional and community resources available to couples and families LLL *Working Mother* , 2002-10 The magazine that helps career moms balance their personal and professional lives *Resources in Education* , 1984 *Families in Transition* Lynne A. Bond, Barry M. Wagner, 1988-04 This

volume presents a group of exemplary prevention programmes documents their accomplishments and provides models for the future development of other programmes Each of the contributors has gone beyond the stage of theorising and model building to translate ideas into fully operating programmes which have been evaluated and demonstrated to be effective The prevention promotion efforts presented consider the well being of individuals the family unit as a whole and broader societal structures in which families are embedded The focus is on both normative and non normative family transitions through the life span of the family
