

Mcclellans Bluff

Mary E. Trimble

McClellans Bluff:

McClellan's War Ethan S. Rafuse, 2011-11-23 An important book that rescues George B McClellan's military reputation. Chronicles Bold brash and full of ambition George Brinton McClellan seemed destined for greatness when he assumed command of all the Union armies before he was 35. It was not to be. Ultimately deemed a failure on the battlefield by Abraham Lincoln, he was finally dismissed from command following the bloody battle of Antietam. To better understand this fascinating, however flawed character, Ethan S. Rafuse considers the broad and complicated political climate of the earlier 19th Century. Rather than blaming McClellan for the Union's military losses, Rafuse attempts to understand his political thinking as it affected his wartime strategy. As a result, Rafuse sheds light not only on McClellan's conduct on the battlefields of 1861-62 but also on United States politics and culture in the years leading up to the Civil War. Any historian seriously interested in the period will come away from the book with useful material and a better understanding of George B. McClellan. *Journal of Southern History*. Exhaustively researched and lucidly written, Rafuse has done an excellent job in giving us a different perspective on Little Mac. Civil War History. Rafuse's thoughtful study of Little Mac shows just how enthralling this complex and flawed individual continues to be. *Blue Gray magazine*.

McClellan's Bluff Mary E. Trimble, 2008-12 Leslie Cahill 17 falls in love with neighboring cowboy 28 year old Sloan Stroh. Why can't her family understand McClellan's Bluff? a contemporary western takes place in eastern Washington's rain forest. *Battle of Ball's Bluff* Ted Ballard, 2001 *Battle of Ball's Bluff* Ted Ballard, 2001

McClellan's Own Story George Brinton McClellan, 1887 *McClellan's Own Story* George B. McClellan, 1998-05 Born in Philadelphia on December 3, 1826, George B. McClellan graduated from West Point in 1846 before serving in the Mexican War. At the start of the Civil War, McClellan was put in a position of leadership and after a successful campaign in Virginia, he was given command of the Army of the Potomac, one of the Union's strongest armies. He led the Peninsular campaign with almost 100,000 troops under his command, marching toward Richmond. Although McClellan was a brilliant administrator who possessed good strategic sense, the record shows that he was overcautious and consistently overestimated the strength of his adversaries, always demanding more men and supplies before undertaking offensive action. In 1862, McClellan disagreed with Abraham Lincoln and advanced on Richmond from the east instead of moving directly against the Confederates at Manassas, Virginia. Although the Union army was successful during the Peninsular campaign, their failure to take Richmond, the Confederate capital, gave the South new motivation. Dissatisfied with the campaign and McClellan, Lincoln replaced him with Henry W. Halleck as commander in chief. After the defeat of the Union army in the Second Battle of Bull Run, he was again placed in active command of the Army of the Potomac. His overcautiousness at the battle of Antietam on September 17, 1862, led to a draw instead of a Union victory. Because of the heavy Union losses, he was again relieved of his command by Lincoln for the duration of the war. The Democratic Party nominated McClellan in 1864 as its candidate for president on a peace platform, but Abraham Lincoln defeated him. After serving as governor of New Jersey from

1878 to 1881 McClellan died in Orange New Jersey on October 29 1885 *Follow the Dream* Heidi Thomas,2014-05-06 In this sequel to *Cowgirl Dreams* Nettie Brady now Nettie Moser is working with her husband Jake to prepare for a busy rodeo season when she is offered a once in a lifetime opportunity to travel to London to perform with the Tex Austin Wild West Troupe When fate once again interferes with her dreams Nettie finds herself overcoming challenges only to set aside her passions As Nettie and Jake work to keep their horse herd from disaster and to preserve their way of life the realities of the Great Depression separate them Based on the life of the author's grandmother a real Montana Cowgirl *Follow the Dream* reveals the story of the real Montana in the mid Twentieth Century and continues the sweeping family saga begun in *Cowgirl Dreams*

Cowgirl Dreams Heidi Thomas,2014-05-06 From her ranch home in Montana in the 1920s Nettie Brady dreamed of joining the rodeo circuit and becoming a star Defying her mother's wishes and trading her skirts for trousers and riding the range with her brothers and taking on the occasional half ton steer in local rodeos Nettie bucked convention to compete with men in the arena When family hardship and tragedy threaten her plans she turns back toward a more traditional life as a ranch woman but chafes against its restrictions Then she meets and falls in love with a young neighbor who rides broncs and raises rodeo stock Can Nettie's rodeo dreams come true if she is also a wife and mother Based on the life of the author's grandmother a real Montana cowgirl this novel takes on the big issues of a woman's place in the west the crushing difficulties of surviving on a homestead and the excitement and romance of a young girl aching to follow her dream

Midlife Clarity Cynthia Black,Laura Carlsmith,2012-05-01 A woman's wisdom is one of the Earth's greatest natural resources With a perspective that only a certain number of years on Earth can bring the thirty two women in *Midlife Clarity* show that midlife can be a release of our true self a chance to be free of others expectations and a time to inventory our blessings With personal anecdotes essays short poetry and plenty of humor *Midlife Clarity* focuses on issues common to every woman Whether the topic is men self discovery death or struggle each woman finds those small moments of satisfaction and joy that after all are what life is all about Their midlife musings are at once basic and sublime obvious and profound individual and global They inspire us to welcome change in our own lives with the same humor grit and strength *Of*

Saints and Rivers Jim Logan,2025-09-16 A father's expectations A son's search for redemption A family shaped by love loss and the relentless passage of time From the wild frontier days of the late 1800s to the post war reckoning of the 1950s this award winning novel follows three generations of the McClellan family through the eyes of the youngest son Growing up in the shadow of his celebrated father and brother Jordan is more into books than farmwork or sports But when tragedy strikes guilt drives him spiraling down a path with dire consequences His relentless search for meaning and atonement sends him far from home to places as far ranging as the Caribbean a small Mexican village and seminary Yet no matter how far he runs the shadows follow As Jordan grapples with his past and its impact on those he loves he discovers a new understanding of his father and himself Perfect for fans of *This Tender Land* and *The Four Winds* *Of Saints and Rivers* is a sweeping historical

saga of faith doubt resilience and the unbreakable ties of family

, **Midlife Clarity (EasyRead Super Large 20pt Edition)** ,

tale of the bonds of family faith and trust As single mother Sidney Walker struggles to save her troubled young son she finds she is not as alone as she thinks when help comes from the most unexpected person *The Peninsula Campaign of 1862*

Kevin Dougherty,J. Michael Moore,2010-01-08 The largest offensive of the Civil War involving army navy and marine forces the Peninsula Campaign has inspired many history books No previous work however analyzes Union general George B McClellan s massive assault toward Richmond in the context of current and enduring military doctrine The Peninsula Campaign of 1862 A Military Analysis fills this void Background history is provided for continuity but the heart of this book is military analysis and the astonishing extent to which the personality traits of generals often overwhelm even the best efforts of their armies The Peninsula Campaign lends itself to such a study Lessons for those studying the art of war are many On water the first ironclads forever changed naval warfare At the strategic level McClellan s inability to grasp Lincoln s grand objective becomes evident At the operational level Robert E Lee s difficulty in synchronizing his attacks deepens the mystique of how he achieved so much with so little At the tactical level the Confederate use of terrain to trade space for time allows for a classic study in tactics Moreover the campaign is full of lessons about the personal dimension of war McClellan s overcaution Lee s audacity and Jackson s personal exhaustion all provide valuable insights for today s commanders and for Civil War enthusiasts still debating this tremendous struggle Historic photos and detailed battle maps make this study an invaluable resource for those touring the many battlegrounds from Young s Mill and Yorktown through Fair Oaks to the final throes of the Seven Days Battles *Betrayal: General George McClellan, The Peninsula Campaign and The Death of General Philip Kearny* Brian E. Dunleavy,2023-03-24

Abraham Lincoln recognized that the US Civil War would be a hard war Secession and slavery represented abiding beliefs central to Southern life Overcoming them would require a war of attrition resulting in much death and destruction but Lincoln knew that the populous industrial North would prevail in a war of grim mathematics He hoped that in George McClellan he had found the general to wage this war McClellan though young and bright was not up to the task Early in his tenure he showed that he could organize a large army but month upon month of inaction followed McClellan politically favored preserving the Union for mercantile reasons but slavery was a matter for the states to decide and therefore negotiable Reunion he felt did not require abolition McClellan had talents as an organizer but could not bring himself pull the trigger on a decisive battle Lincoln was finally able to coerce McClellan into proposing the Peninsular Campaign in the spring of 1862 The plan called for a massive amphibious operation which would deposit an army on the doorstep of Richmond and force a Confederate surrender Lincoln did not like a plan as risky and costly as this but reluctantly agreed McClellan endangered the success of his plan by avoiding direct engagement with the enemy and working his way up the peninsula at a snail s pace He lost the confidence and support of many of his subordinate generals Phil Kearny

Midlife Clarity (EasyRead Super Large 24pt Edition)

Autumn Blue Karen Harter,2009-06-27

An authentic

was particularly aggrieved as he espoused a hard war and continuing contact with the enemy After months of battles and squandered opportunities McClellan ordered a retreat His generals administered a final defeat to the Confederates at Malvern Hill but still were forced to withdraw to Harrison s Landing where they were unable to generate further offensive operations McClellan had misused and betrayed the Army of the Potomac and failed to capitalize on their bravery and competence His betrayal had only begun *The Life, Campaigns, and Public Services of General McClellan.* (George B. McClellan) George Brinton McClellan,1864 **From Cape Charles to Cape Fear** Robert M. Browning Jr.,Robert M. Browning,2003-07-09 Examines naval logistics tactics and strategy employed by the Union blockade off the Atlantic coast of the Confederacy *The Life of Maj.-Gen. Geo. B. McClellan, General-in-chief, U.S.A.* Orville James Victor,1862 The Seven Days' Battles Judkin Browning,2012-06-21 Written in a clear and engaging narrative style this book analyzes the pivotal campaign in which Robert E Lee drove the Union Army of the Potomac under George B McClellan away from the Confederate capital of Richmond VA in the summer of 1862 The Seven Days Battles The War Begins Anew examines how Lee s Confederate forces squared off against McClellan s Union Army during this week long struggle revealing how both sides committed many errors that could have affected the outcome Indeed while Lee is often credited with having brilliant battle plans the author shows how the Confederate commander mismanaged battles employed too many complicated maneuvers and overestimated what was possible with the resources he had available For his part McClellan of the Union Army failed to commit his troops at key moments accepted erroneous intelligence and hindered his campaign by refusing to respect the authority of his civilian superiors This book presents a synthetic treatment that closely analyzes the military decisions that were made and why they were made analyzes the successes and failures of the major commanders on both sides and clearly explains the outcomes of the battles The work contains sufficient depth of information to serve as a resource for undergraduate American history students while providing enjoyable reading for Civil War enthusiasts as well as general audiences George B. McClellan Stephen W. Sears,2014-12-09 Sears has finally unraveled the mystique of this complex brilliant Civil War general A fascinating story James M McPherson author of Battle Cry of Freedom Commander of the Northern army in the Civil War Gen George McClellan saw himself as God s chosen instrument for saving the Union Self aggrandizing with a streak of arrogant stubbornness he set himself above President Lincoln whom he privately called the Gorilla To the young Napoleon as McClellan s troops dubbed him abolition was an accursed doctrine Fond of conspiracy plots he insisted that the Lincoln administration had traitorously conspired to set him up for military defeat Although he constantly anticipated one big decisive battle that would crush the South he squandered one military opportunity after another and if Sears is correct he was the worst strategist the Army of the Potomac ever had Based on primary sources letters dispatch books diaries newspapers this masterly biography is an astonishing portrait of an egotistical crank who could snatch defeat from the jaws of victory Publishers Weekly Engagingly written and thoroughly researched Sears s persuasive critique is the

best and most complete biography of this controversial general Library Journal The best biography of McClellan ever published Sears uses intensive research including new material to document the tormented wasted military career of a talented man The enigma of McClellan has never been explained so well Historians should be grateful The Washington Post Book World
