Overcoming Celebrity Obsession Diane Saks, 2011-08-01 *OVERCOMING CELEBRITY OBSESSION* is a star-studded journey from celebrity obsession to fulfilling life in three easy phases. When a fan is obsessed, a story character version of the celebrity is created. It is through the fan's celebrity characterization that guides the fan through Phase 1. Upon understanding why the fan was obsessed in the first place, the journey through Phase 2 begins. This is the dark part of the fan's life that the fan used the favorite celebrity to escape from. Professional counseling is not recommended in Phase 1 but can begin in Phase 2. In order to get the most from Phase 3, the fan must be able to look at parts of his or her real life and pull out the celebrity obsession. For example, every time someone couldn't communicate or understand me, I saw that as my John Travolta obsession. If I was not given a chance to help out during a particular event, that was my David Cassidy obsession. It is in Phase 3 where we discuss personal behavior and set goals, both professional and personal. The typical celebrity obsession theory is the obsession is because of hero worship. Until now, celebrity obsession therapy has been in the hands of professionals who have never lived through celebrity obsession. Typical celebrity obsession studies state that obsessed people need to stop obsessing over
