Girvin, 2015-01-19 Rev E A Girvin's biography of Dr Bresee was a monumental undertaking and is an outstanding success He details the historical and theological issues facing Dr Bresee and the host of second blessing holiness leaders in America as they formed the Church of the Nazarene This reprint is offered in honor of the 100th anniversary of Dr Bresee's passing

Phineas F. Bresee Ernest Alexander Girvin, *Phineas F. Bresee* Carl Bangs, 1995 The story of Bresee from his boyhood in New York's Catskill Mountains through his ministerial career in Iowa and California **From Aldersgate to Azusa**

Street Henry H. Knight III, 2010-08-11 Historians have noted the connections between the Wesleyan Methodist movement that began in the eighteenth century the emergence of African American Methodist traditions and an interdenominational Holiness movement in the nineteenth century and the birth of Pentecostalism in the twentieth century This volume written by historians theologians and pastors builds on that earlier work The contributors present a diverse array of key figures denominational leaders and mavericks institutional loyalists and come outers clergy and laity who embodied these

movements The authors show that in spite of their differing historical and cultural contexts these movements constitute a distinct theological family whose confident and expectant faith in the transforming power of God has significant implications for the renewal of the contemporary church and its faithfulness to God's mission in the world today Contributors Corky Alexander Estrela Alexander Kimberly Ervin Alexander Leslie D Callahan Barry L Callen Douglas R Cullum Dennis C Dickerson D William Faupel Philip Hamner David Aaron Johnson J C Kelley Henry H Knight III William C Kostlevy Diane K Leclerc Joshua J McMullen Rodney McNeall Stephen W Rankin Harold E Raser Douglas M Strong Matthew K Thompson Wallace Thornton Jr L F Thuston Arlene Sanchez Walsh Steven J Land Laura Guy John H Wigger *Perfectionist Persuasion*

Charles Edwin Jones, 1974 New in Paperback a model for the kind of study that other denominations now deserve and need THE CHRISTIAN CENTURY a sympathetic but balanced treatment Important for social history collections and essential for those emphasizing the sociology of religion or American religious history CHOICE a selective yet sensitive authentic account of the movement No available work competes in its description of the varied phenomena of the holiness movement LEON O HYNSON CHRISTIAN SCHOLAR'S REVIEW Cloth edition previously published in 1974 The Life of Charles F. Parham,

Founder of the Apostolic Faith Movement Sarah E. Parham, 1985 *The Holiness Revival of the Nineteenth Century* Melvin E. Dieter, 1996-04-09 This new edition expands and updates the only general interpretation of the rise and influence of perfectionist revivalism in America and Europe Fifteen years of expanding research on the holiness movement reinforce this volume's continuing seminal value to cultural and social research The new concluding essay describes the history of the

revival through the turn of the century This book expands our understanding of the fragmentation and coalescence of American religion by analyzing the factors which created numerous new holiness denominations Dieter also outlines the historical and theological factors that separate this largely Wesleyan and Methodist wing of evangelicalism from the fundamentalism of Reformed evangelicals The identification of such nuances will prove especially helpful to those struggling with the extreme diversity in American religion especially in evangelicalism For students and scholars of American religious movements as well as students of the feminist temperance abolitionist and populist movements in American society *The Publishers Weekly*, 1917 **American Religious Leaders** Timothy L. Hall, 2014-05-14 Profiles the lives and achievements of more than 270 spiritual leaders arranged alphabetically who made major contributions to the history of American religious life **Man of the Morning** Donald Paul Brickley, 1960 Historical Dictionary of Methodism Charles Yrigoyen Jr., Susan E. Warrick, 2005-03-16 In 2003 Methodists celebrated the 300th anniversary of the birth of their founder John Wesley Today there are more than 300 Methodist denominations in 140 nations Covering the activities of this group that plays an important role in the ecumenical movement through its many social and charitable activities in world affairs this book offers more than 400 entries that describe important events doctrines and the church founders leaders and other prominent figures who have made notable contributions It also includes a list of commonly used acronyms chronology of historical events introductory essay on the history of Methodism 15 page black and white photo spread bibliography listing of important libraries and depositories of Methodist materials The impressive list of contributors includes more than 60 specialists who are academics administrators pastors and theologians **The Holiness Revival of the Nineteenth Century** Melvin Easterday Dieter, 1996 Expands and updates the only general interpretation of the rise and influence of perfectionist revivalism in America and Europe Fifteen years of expanding research on the holiness movement reinforce this volume s continuing seminal value to cultural and social research *Past and Prospect* Stan Ingersol, 2014-05-20 Today the Church of the Nazarene faces issues that arise directly out of its past For that reason Past and Prospect argues that Nazarenes will be better equipped to face their future as a church armed by an understanding of their own history Church historian Stan Ingersol examines issues that have characterized the Nazarene way of life during that denomination s first century showing how the trajectory shaped by the church s founders has been altered through time by the shifting tides of Fundamentalism mainstream Evangelicalism global expansion and the culture of affluence He contends that current disagreements over polity holiness and worship are largely echoes and projections of tensions that have been present in the denomination since its very beginning As the reader will discover the common denominator running through these chapters is the prospect of rediscovering a relevant and useful past **Wesleyan-Pentecostal Nazarene** Darrell Poeppelmeyer, This is book four of a six volume series that focuses on the salvation experiences of the people called Nazarenes This book covers the years 1895 1928 We examine every book of theology used in the Ministerial Course of Studies We examine the hymnals used and songs

sung during each period of Nazarene history We listen to the testimonies of the people involved We discuss the liturgy and worship patterns We ask scores of Crazy Good Questions for discussions The book includes hundreds of Scripture verses and references to over two hundred academic journals and articles on Nazarene theology [The American Holiness Movement](#) Darrell Poeppelmeyer,2023-04-05 Secular historians tend to neglect the religious aspects of American history This book examines the great revivals which swept America during the nineteenth century Most modern Protestant denominations owe their existence in American due to these revivals *Rediscovering an Evangelical Heritage* Donald W. Dayton,2014-11-25 This book widely regarded as groundbreaking since its publication over thirty five years ago sheds light on the more radical and prophetic roots of American evangelicalism and has challenged countless readers to rethink their evangelical heritage It argues that nineteenth century American evangelicals held a more mature vision of the faith for they engaged demanding justice peace and social issues a vision that was betrayed and distorted by twentieth century neo evangelicals The book helps readers understand that the broader origins of American evangelicalism include the social justice concerns of today s church Featuring new historic photos and illustrations this edition includes new introductory and concluding chapters and incorporates relevant updates The previous edition was published as *Discovering an Evangelical Heritage* **Holy Fire Fell** Dirk R. Ellis,2017-01-18 Why do we worship as we do What are the forgotten practices once central to many early Nazarene congregations Because historical events and other factors have shaped and molded the various worship patterns found in local congregations the way in which contemporary Nazarenes worship is no accident Like other descendants of the American holiness movement Nazarene worship is influenced by events predating our denominational forebears This text explores the history behind current worship trends for a crucial reason the very act of worship shapes and forms worshipers Beliefs and attitudes are forged not merely by what is heard from the pulpit but also by what is done bodily in the pew Ellis examines the liturgical concerns and practice of John Wesley as well as those of early Nazarene pioneers in an attempt to address these issues In so doing the book provides a historical resource for denominational leaders pastors and congregations At the same time it aims to help congregations both to appreciate our rich ecclesial history and to critically evaluate current worship practices in order that they may truly be transformational **The Quotable Bresee** Harold Ivan Smith,1983 A priceless collection of quotations drawn from the archives of the Church of the Nazarene covering a broad scope of religious thought philosophy and humorous quips of Phineas F Bresee Cataloged for easy reference
