Playboy's Reward Gina Azzi,2022-10-27 It was supposed to be one fake date When sexy as sin Harper Henderson launches profanities into the night sky from the balcony below mine I m forced to intervene I may be a professional hockey player with a playboy reputation but I m also a good guy Charming and affable with unrivaled cheekbones and a lack of serious commitments save for hockey I make an impressive plus one Volunteering to be Harper's date to her dreaded ten year high school reunion is easy Pretending not to fall for her when our innocent kisses turn passionate is a little more

challenging But when Harper returns the fake date favor and accompanies me to my parents anniversary party everything changes She garners my dad s respect and effortlessly mingles with my childhood friends She eases the familial pressure I drown under and makes me crave things I used to laugh off Tangling up with Harper was supposed to be a fun way to pass the summer So why does it feel like she s the real prize The elusive fleeting kind of real I ve avoided for years And how can I prove that this playboy wants a different kind of reward One that sounds a lot like commitment **Billboard** ,1994-05-21 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *The Hollywood Reporter* ,1994 **Aggression in Pornography** Eran Shor,Kimberly Seida,2020-07-21 Aggression in Pornography focusses on the issue of violence in mainstream pornography and examines what we know what we think we know and what are some surprising research findings and insights about the place of violence within pornography today The authors first review the modern pornography industry theoretical claims about pornography as violence and the ways in which aggression has been defined and measured in previous research Next they review the findings of empirical research on violent content in pornographic materials and the potential effects of such content on audiences The main part of the book relies on systematically collected empirical data as the authors analyze the content of hundreds of pornographic videos as well as more than a hundred interviews with men and women who regularly watch pornography These analyses provide surprising insights regarding the prevalence of and trends in violent content within mainstream pornography the popularity of violent and non violent content among viewers and variations in aggression by race and sexual orientation As such Aggression in Pornography will be of interest to students and researchers in sociology gender and sexuality studies and media and film studies as well as to wider audiences who are interested in today s pornography industry and to policymakers looking to devise empirically driven policies regarding this industry and its potential effects *Billboard* ,1994-06-25 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Billboard ,1994-05-14 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
