

The background of the cover is a detailed engraving. It depicts a man in 18th-century clothing, including a powdered wig and a long coat, operating a large, complex printing press. The press is a wooden frame with a large hand-cranked wheel. The man is leaning over the press, which is situated in a workshop with stone walls and a large arched window in the background. The scene is lit with warm, golden light, suggesting an interior space. The overall style is that of an 18th-century engraving.
