How to Start a Law Practice and Succeed Nalini Mahadevan, 2012-07-27

How to Start a Law Practice and Succeed focuses on how to start your own law practice from scratch while emphasizing tools and tactics on how to succeed in today's economy. This book is a useful tool for lawyers just out of law school and for lawyers who want to start their own practice after finding themselves suddenly unemployed. I have included forms and tools to start from scratch and to manage your law practice. In the book are resources for managing workflow, finding clients and managing them, their files, and ethically maintaining your own law practice. After all, practicing law is not like a normal business and requires special attention to ethical dilemmas in every facet and practice of law.
