Davis,1985 Lists over 5 200 titles of books published by American poets between 1973 and 1983 **Word Witchery** Katie Ness,2025-10-14 Ancient priestesses of antiquity wrote and performed poetic incantations to the gods discover the forgotten magic of women s voices our poetry magic our word witchery she who weaves worlds with words **Unlocking the Poetry of W. B. Yeats** Daniel Tompsett,2018-06-13 Unlocking the Poetry of W B Yeats undertakes a thorough re reading of Yeats oeuvre as an extended meditation on the image and theme of the heart as it is evident within the poetry It places the heart at the centre of a complex web of Yeatsian preoccupations and associations from the biographical to the poetic and philosophical to the mythological and mystical In particular the book seeks to unlock Yeats mystifying aesthetic vision via his understanding of the ancient Egyptian Weighing of the Heart ceremony The work provides a chronological narrative arc that looks to use the theme of the heart as it recurs in the poetry in order to circumvent and overcome more established frameworks Its purpose is to offer refreshing ways of conceptualizing and building alternatives to more deeply entrenched but not entirely satisfactory arguments that have been offered since Yeats death in 1939 while demonstrating the centrality of the occult to Yeats art A Guide to Creative Writing and the Imagination Kris Saknussemm,2022-03-30 Teaching creative writing for the multicultural global and digital generation this volume offers a fresh approach for enhancing core writing skills in the major forms of Poetry Fiction Nonfiction and Drama A Guide to Creative Writing and the Imagination aims to provide students with organic active learning through imitation and examples which not only emphasize writing and reading but look to other art forms for inspiration This volume s key features include Strengthening key underlying capabilities of what we mean by imagination physical and mental alertness clarity of perception listening skills attention to detail sustained concentration lateral thinking and enhanced memory Taking direction from other art forms such as African American musical improvisation Brancusi s sculptural idea of finding form key ideas from drawing such as foreground background and negative space and some of the great lessons learned from National Geographic photography Incorporating techniques drawn from unusual sources such as advertising military intelligence ESL working with the blind stage magic and oral traditions of remote indigenous cultures in Oceania and Africa The work is intended for a global English market as a core or supplementary text at the undergraduate level and as a supporting frame at the M F A level **Essays on Eddic Poetry** John McKinnel,l Donata Kick,John D. Shafer,2014-01-01 Essays on Eddic Poetry presents a selection of important articles on Old Norse literature by noted medievalist John McKinnell While McKinnell s work addresses many of the perennial issues in the study of Old Norse this collection has a special focus on the interplay between heathen and Christian world views in the poems Among the texts examined are H vam l which includes an elegantly cynical poem about inn s sexual intrigues and a more mystical one about his self sacrifice on the world tree in order to gain magical wisdom V lundarkvi a

which recounts an elvish smith's revenge for his captivity and maiming and Hervararkvi a where the heroine bravely but foolishly raises her dead father to demand the deadly sword Tyrfingr from him Originally published between 1988 and 2008 these twelve essays cover a wide range of mythological and heroic poems and have been revised and updated to reflect the latest scholarship *Practical Magic* Alice Hoffman, For more than two hundred years the Owens women had been blamed for everything that went wrong in their Massachusetts town And Gillian and Sally endured that fate as well As children the sisters were forever outsiders taunted talked about pointed at Their elderly aunts almost seemed to encourage the whispers of witchery with their musty house and their exotic concoctions and their crowd of black cats But all Gillian and Sally wanted was to escape One would do so by marrying the other by running away But the bonds they shared even into adulthood brought them back almost as if by magic

The Alchemy of Stars , *The Life and Poetry of Frank Stanford* James McWilliams, 2025-07-01 The full-throated biography fans have been yearning for Kirkus Starred Review April 2025 When twenty-nine-year-old Frank Stanford put three bullets in his chest on June 3 1978 he ended a life that had been inextricably linked with poetry since childhood Deeply influential but largely unknown outside his corner

of the poetry world this prodigy of the American South inspired a cult following that has kept his reputation and work flickering on the periphery of the American literary tradition ever since *The Life and Poetry of Frank Stanford* offers for the first time a comprehensive study of Stanford's life and work introducing to a broad readership poetry that remains both captivating to poets and in its celebration of everyday experience over academic erudition accessible to those who rarely read poetry Stanford's poems range from one line to his 15 283 line epic *The Battlefield Where the Moon Says I Love You* The vital thread running through all of his poetry is an ear for language that vies with Walt Whitman in its expansiveness and generosity Stanford's omnivorous attraction to vernacular particularly Black and rural vernacular centered on an admiration for the marginalized and eccentric Blending the Southern Gothic of Faulkner and O'Connor with a racially egalitarian vision his poetry thrives on the stories and traditions of the oppressed and forgotten The themes that preoccupied Stanford's prolific output language sex death class geography commercialism surrealism film race also preoccupied the poet in his daily life which was marked by heavy drinking philandering mental instability emotional abuse and through it all an inveterate desire for beauty Constantly attentive to this tension biographer James McWilliams traces the short and painfully complicated life of this hidden talent who left a lifetime's worth of poetry that through its grounding in the mundane achieved a vision of the transcendent

The Astral H.D. Matte Robinson, 2017-08-24 Modernist poet H.D. had many visionary and paranormal experiences throughout her life Although Sigmund Freud worried that they might be symptoms she rebelled educating herself in the alternative world of the occult and spiritualism in order to transform the raw material into a mythical autobiography woven throughout her poetry prose and life writing *The Astral H.D.* narrates the fascinating story of how she used the occult to transform herself and provides surprising revelations about her friendships and conflicts with famous figures such as Sigmund Freud and the Battle of Britain War Hero Hugh Dowding along the way

Making No Compromise Holly A. Baggett, 2023-10-15 *Making No Compromise* is the first book length account of the lives and editorial careers of Margaret Anderson and Jane Heap the women who founded the avant garde journal the *Little Review* in Chicago in 1914 Born in the nineteenth century Midwest Anderson and Heap grew up to be iconoclastic rebels living openly as lesbians and advocating causes from anarchy to feminism and free love Their lives and work shattered cultural social and sexual norms As their paths crisscrossed Chicago New York Paris and Europe two World Wars and a parade of the most celebrated artists of their time they transformed themselves and their journal into major forces for shifting perspectives on literature and art Imagism Dada surrealism and Machine Age aesthetics were among the radical trends the *Little Review* promoted and introduced to US audiences Anderson and Heap published the early work of the men of 1914 Ezra Pound James Joyce William Butler Yeats and T.S. Eliot and promoted women writers such as Djuna Barnes May Sinclair Dorothy Richardson Mina Loy Mary Butts and the inimitable Baroness Elsa von Freytag-Loringhoven In the mid 1920s Anderson and Heap became adherents of George I. Gurdjieff a Russian mystic and in 1929 ceased publication of the *Little Review* Holly A. Baggett

examines the roles of radical politics sexuality modernism and spirituality and suggests that Anderson and Heap s interest in esoteric questions was evident from the early days of the Little Review Making No Compromise tells the story of two women who played an important role in shaping modernism

In Tennyson land, a brief account of the home of the poet, and an attempt to identify the scenes and trace the influences John Cuming Walters,1890

I'm Up I'm Down: I'm Bipolar/Suicide Survivor with a Game Peggy Jo Henry,2019-07-17

Is my book fiction or nonfiction You ll be the judge of that Here s the hitch to get you to buy my semi autobiographical book My book is in two parts Episode I the fun game contains short entertaining and serious stories and poems Because of the controversial subject matter the shortness of my book and the little known fact that I m not famous you go through unique Episode I hunting for hidden movie and song titles There are approximately 775 movie television and documentary programs Then there are the 341 songs and an added downright fun to the game by using 31 clues you go through finding an Oscar nominated actor for the Sherlock in all of us Play on your smartphone computer or tablet at airports coffee houses appointments and basically anywhere you have to wait Play with family and friends to see who can find the most titles Who is the actor You d be surprised A lot of fun for the trivia and entertainment sleuth Are you entertainment savvy enough to play the game Just to let you know titles names short phrases expressions and ideas are not protected by copyright laws Episode II the second part is the more serious part Communication in a non confrontational manner promotes learning This sentence is in my book Communication what is it How can I get information to you in a non confrontational manner that concern you and me Episode II is a memoir containing journal entries emails and letters coping with a possible situation that could have ended in a mass shooting the ups and downs of mental illness postpartum depression suicide and my air traffic control experiences All topics of conversation in today s society My book is a collectible and the only one of its kind in the world A little something extra I have included some of my favorite easy recipes Enjoy

The Image of the Feminine in the Poetry of W.B. Yeats and Angelos Sikelianos Anastasia Psoni,2018-12-19

Modernism as a powerful movement saw the literary and artistic traditions as well as pure science starting to evolve radically creating a crisis even chaos in culture and society Within this chaos myth offered an ordered picture of that world employing symbolic and poetic images Both W B Yeats and Angelos Sikelianos embraced myth and symbols because they liberate imagination and raise human consciousness bringing together humans and the cosmos Being opposed to the rigidity of scientific materialism that inhibits spiritual development the two poets were waiting for a new age and a new religion expecting that they themselves would inspire their community and usher in the change In their longing for a new age archaeology was a magnetic field for Yeats and Sikelianos as it was for many writers and thinkers After Sir Arthur Evans s discovery of the Minoan Civilization where women appeared so peacefully prominent the dream of re creating a gynocentric mythology was no longer a fantasy In Yeats s and Sikelianos s gynocentric mythology the feminine figure appears in various forms and like in a drama it plays different roles Significantly a gynocentric mythology permeates the work of the

two poets and this mythology is of pivotal importance in their poetry their poetics and even in their life as the intensity of their creative desire brought to them female personalities to inspire and guide them Indeed in Yeats s and Sikelianos s gynocentric mythology the image of the feminine holds a place within a historical context taking the reader into a larger social political and religious space

Germanic Magic Gunivortus Goos,2019-09-27 The three parts of the book are separated fields and deal with different facets of the runes Part 1 gives among other things a fair summarizing historical overview whereby corresponding finds and their possible interpretations are not left out Part 2 offers many passages in related mythology and the Norse sagas where runes occur the corresponding quotes are included These two parts form an important foundation for the third part which deals with the use of runes in modern magical practical usage After decades of study of various western streams and schools of magic and a thorough study of the runes the author has managed to combine both The result is a unique modern rune magic which is presented in the third part of the book

Alphabets and the Mystery Traditions Judith Dillon,2024-02-06 Reveals the esoteric mysteries encoded in the order of the alphabet Explores the secrets hidden in our alphabet and how each letter represented a specific stage on the alchemical path toward enlightenment Divides our alphabet s sequence of letters into three distinct parts the first representing Earth and the natural year the second the Underworld and the hero s journey and the third the Heavens and astronomical cycles Reveals how the ancient secrets encoded in the numerical order of the alphabet can be found in Mystery Traditions and divination systems throughout the world Our alphabet hides a Mystery older than its magic of turning sound into shapes Secrets lie in the choice of objects chosen to represent early alphabet letters and their order a pattern inherited by numerous traditions an alchemical spell to return the sun from the dark and guide the soul toward enlightenment Revealing the spell hidden in our alphabet Judith Dillon explores the importance of the placement of each letter in early alphabets and how each letter represented a specific step on the alchemical path of self transformation She investigates the alphabet s spread around the world beginning in Egypt and then spreading through Hebrew Greek and other ancient systems of writing and divination These include Germanic Runes Celtic Oghams Tarot cards the I Ching and the wisdom of Mother Goose Comparing the mythic attributes of many traditions the author reveals the commonality of a numerical placement of symbols and how the hidden message was adapted by multiple peoples using objects and shapes from their own traditions Examining the esoteric wisdom encoded in the alphabet Dillon divides the numerical sequence of letters into three distinct parts The first family of letters represents the Earth and describes the cycle of the natural year The second family represents the Underworld and symbolizes the hero s journey through judgments and death into the light of day The third represents the Heavens and its astronomical cycles Together our alphabet symbols are a spell of alchemical stages on a path toward the light Hidden in plain sight our alphabet represents a transmission of ancient wisdom the great alchemical Mystery of transforming dark earth into shining gold of releasing the soul from the bonds of matter into the gold of enlightenment
