Practical Pacifism:

Practical Pacifism Andrew Fiala, 2004 The United States has a unique responsibility and opportunity to use democracy to end war but after 9 11 many can no longer imagine pacifism in any form Practical Pacifism argues for an approach to peace that aims toward a moral consensus that is developed pragmatically through dialogue aimed at overlapping consensus Andrew Fiala is an Associate Professor of Philosophy and Humanistic Studies at the University of Wisconsin He has written many articles for Philosophy in the Contemporary World Metaphilosophy Res Publica the Internet Encyclopedia of Philosophy and The Humanist Practical Pacifism and Its Adversaries Severin Nordentoft, 1918 The Individual and the Political Order Norman E. Bowie, Robert L. Simon, 2008 This fourth edition of The Individual and the Political Order provides a careful accessible and reasoned liberal justification for the democratic state and political authority. The central feature of liberalism is the commitment to individual autonomy. The authors show how that commitment provides a defense of democracy and they give a liberal interpretation to such core values as liberty equality and political authority Although the authors support liberal theory they also provide a sympathetic treatment of the critics of liberalism The authors give a sound explanation of such positions as feminist political theory communitarianism and post modernism but they also argue persuasively that these theories fall short as adequate theories of the political order A significant feature of the new edition is the treatment of international issues and globalization particularly the war on terrorism and poverty in the third world This edition retains its balanced treatment of such major theorists as Hobbes Locke Rousseau Rawls and in this edition Marx This edition continues the tradition of readability balance and careful argumentation that characterized the earlier editions The Individual and the Political Order is accessible to a wide audience and to nearly all individuals who are interested in how citizens in a state should be governed Practical Pacifism and Its Adversaries. Severin Nordentoft, 2016-04-22 Practical Pacifism and Its Adversaries Severin Nordentoft, 1918 The Oxford Handbook of Peacebuilding, Statebuilding, and Peace Formation Oliver P. Richmond, Gëzim Visoka, 2021-05-31 In addition to being a major area of research within International Relations peacebuilding and statebuilding is a major policy area within the UN and other international and regional organizations It is also a concern of international financial institutions including the World Bank and a significant factor in the foreign and security policies of many established and emerging democracies Peacebuilding and statebuilding are among the main approaches for preventing managing and

mitigating global insecurities dealing with the humanitarian consequences of civil wars and expanding democracy and neoliberal economic regimes Peace formation is a relatively new concept addressing how local actors work in parallel to international and national projects and helps shape the legitimacy of peace processes and state reform The Oxford Handbook of Peacebuilding Statebuilding and Peace Formation serves as an essential guide to this vast intellectual and policy landscape It offers a systematic overview of conceptual foundations political implications and tensions at the global regional and local levels as well as key policies practices examples and discourses underlining all segments of peacebuilding and statebuilding praxis Approaching peacebuilding from disciplinary perspectives across the social sciences the Handbook is organized around four major thematic sections Section one explores how peacebuilding statebuilding and peace formation is conceived by different disciplines and IR approaches thus offering an overview of the conceptual bedrock of major theories and approaches Section two situates these approaches among other major global issues including globalization civil society terrorism and technology to illustrate their global regional and local resonance Section three looks at key themes in the field including peace agreements democratization security reform human rights environment and culture Finally section four looks at key features of everyday and civil society peace formation processes both in theory and in practice Pacifism and Its Adversaries. Is It Peace, Jehu? Severin Nordentoft, G. K. Chesterton, 2017-08-19 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates Pro Ecclesia Vol 26-N3 Pro Ecclesia, Joseph Mangina, Associate Professor of Theology & Director of Advanced Degree Studies, Wycliffe College, Toronto, 2017-08-11 Pro Ecclesia is a quarterly journal of theology published by the Center for Catholic and Evangelical Theology Experiential Learning in Philosophy Julinna Oxley, Ramona

Ilea, 2015-08-27 In this volume Julinna Oxley and Ramona Ilea bring together essays that examine and defend the use of experiential learning activities to teach philosophical terms concepts arguments and practices Experiential learning emphasizes the importance of student engagement outside the traditional classroom structure Service learning studying abroad engaging in large scale collaborative projects such as creating blogs websites and videos and practically applying knowledge in a reflective creative and rigorous way are all forms of experiential learning Taken together the contributions to Experiential Learning in Philosophy argue that teaching philosophy is about doing philosophy with others The book is divided into two sections essays that engage in the philosophical debate about defining and implementing experiential learning and essays that describe how to integrate experiential learning into the teaching of philosophy Experiential Learning in Philosophy provides a timely reflection on best practices for teaching philosophical ideals and theories an examination of the evolution of the discipline of philosophy and its adoption or reclamation of active modes of learning and an anticipation of the ways in which pedagogical practices will continue to evolve in the 21st century The New Europe ,1917 Just War Lloyd Steffen, 2007-03-26 Holy War Just War explores the dark side in Christianity Islam and Judaism by examining how the concept of ultimate value contributes to religious violence. The book states that religion has within its own conceptual tools the resources to understand its own dark side and that religious people must subject their religion to a moral vision of goodness and constrain those parts that make for violence and hatred It's a Sin to Build a Nuclear Weapon Richard T. McSorley, 2010-05-01 The Reverend Richard Mcsorley SJ 1914 2002 was Professor of Peace Studies at Georgetown University and writer of eight books on pacifism and social justice As a Jesuit priest ordained in 1946 be completed his studies for has PhD at Ottawa University In 1970 he co founded St Francis Catholic Worker In Washington DC He served as a board member of the National Interreligious Board for Conscientious Objectors for 15 years and was a National Council member of Pax Christi U S A from 1983 to 1989 He has written five other books and is a nationally The Pacifist Impulse in Historical Perspective International Conference On recognized newspaper columnist Book jacket The Pacifist Impulse I, Peter Brock, International Conference on the Pacifist Impulse in Historical perspec, 1996-01-01 This volume of twenty three essays appears in recognition of the emergence of peace history as a relatively new and coherent field of learning these essays were presented at an international conference The Pacifist Impulse in Historical Perspective Together the essays in this book explore the ideas and activities of persons and groups who for two millennia have rejected war and urged non violent means of settling conflicts **The Justice of War** Richard Hall, 2019-11-06 The Justice of War Its Foundations in Ethics and Natural Law puts normative ethical theory at the forefront in its discussion of the justice of war Situating the modern theory of just war in its historical context Richard A S Hall gives full attention to natural law a mainstay of just war theory Hall considers the American philosopher Josiah Royce's implicit theory of just war with its suggestion of a fourth component of just war theory in addition to jus ad bellum jus in bello and jus post bellum namely jus ad pacem justice

law for or about peace concerning the prevention of war and the maintenance of peace This book addresses and answers affirmatively the following questions raised by just war theory Can just war theory be rationally defended against its realpolitik critics Can there by such a thing as a just or moral war The book aims at showing the doubters and critics that just war theory is a viable alternative to both the political realism of realpolitik and pacifism In brief war can be morally justified though under very restrictive conditions Booklist ,1919 A.L.A.
