Catholic Social Teaching in Practice Andrew M. Yuengert, 2023-05-31 Although the virtues are implicit in Catholic Social Teaching they are too often overlooked In this pioneering study Andrew M Yuengert draws on the neo Aristotelian virtues tradition to bring the virtue of practical wisdom into an explicit and wide ranging engagement with the Church s social doctrine Practical wisdom and the virtues clarify the meaning of Christian personalism highlight the irreplaceable role of the laity in social reform and bring attention to the important task of lay formation in virtue This form of wisdom also offers new insights into the Church s dialogue with economics and the social sciences and reframes practical political disagreements between popes bishops and the laity in a way that challenges both laypersons and episcopal leadership Yuengert s study respects the Church s social tradition while showing how it might develop to be more practical By proposing active engagement with practical wisdom he demonstrates how Catholic Social Teaching can more effectively inform and inspire practical social reform
