Practicing The Prayer Of Presence:

Practicing the Prayer of Presence Adrian L. Van Kaam, Susan Muto, 1993 *The Practice of the Presence of God, and the Spiritual Maxims* Brother Lawrence, 2006-12-01 A former soldier French mystic Nicholas Herman aka BROTHER LAWRENCE 1611 1691 was converted to a powerful love of God at age 18 by a humble observation of nature and his thoughts collected in these two uncomplicated works of devotion remain among the most pure and most powerful adorations of the divine A lay Carmelite brother Lawrence spent most of his time in the monastery's kitchens and his simple earthy observations on the direct paths to communication with God continue to inspire those seeking a stronger more potent spirituality today Practicing the Prayer of Presence Susan A. Muto, Adrian Van Kaam, **The Practice of the Presence of God** Brother Lawrence (of the Resurrection), 1985 The Practice of the Presence of God is among the most enduringly popular of all Christian devotional works It is a collection of conversations with a simple seventeenth century French Carmelite monk who through the simplest of everyday activities was able to achieve a profound intimacy with God Brother Lawrence's teaching has resonated with Christians for more than three hundred years and it is fitting that it is now available in this beautiful edition with a fine full cloth cover a sewn binding and a ribbon marker **The Practice of the Presence of God** Brother Lawrence, 2022-01-27 The Practice of the Presence of God Brother Lawrence The Practice of the Presence of God is a book of collected teachings of Brother Lawrence born Nicolas Herman a 17th century Carmelite friar compiled by Father Joseph de Beaufort The compilation includes letters as well as records of his conversations kept by Brother Lawrence's interlocutors The basic theme of the book is the development of an awareness of the presence of God This collection of conversations and letters of Brother Lawrence born Nicholas Herman describe his daily habits in developing his relationship with an almighty being God Lawrence describes his spiritual journey from the time of his conversion at eighteen to just days before his death He admonishes any person interested in an authentic religious experience to seek God continuously If one does this one attains a consistent relationship with God Attitudes such as selfless love and attention to detail evidence such a relationship Brother Lawrence sees God as his father his friend his judge and his king among other things Each of these personifications of God arises at different points of Lawrence's life and spiritual journey Contrary to spiritual advisors of his time Lawrence advises devotees to seek God continually and simply not using repetitive prayers at assigned times only Secular activities sometimes distract one from one's desired devotion but years of constant applications and confessions eventually bring one to a place of living in the presence of God In his letters Brother Lawrence writes to other members of clergy advising them and describing for them his daily habits that lead to his personal relationship with God However one realizes that Lawrence intends this prescription for people of any lifestyle not just clergy To prove this point he includes instructions to a young soldier who Lawrence advises to seek God for safety He also admonishes the young soldier to keep his love for people below his love for God *The Practice of the Presence of God* Brother Andrew, 2004-07 Books for less than a

Kinn,2009 This book is for anyone who now meditates regularly or who practiced meditation in the past As we grow in our prayer life John of the Cross is an excellent and encouraging guide to show us the way to the practice of contemplative prayer More Information Many of us learned about mediation from spiritual directors or books We practiced a reliable form of mediation for some years with varying degrees of success Over time however our prayer slowed down and became simplified We didn t find many new ideas to occupy our intellect and our emotions quieted down In time many of us experienced a crisis in our prayer life our prayer became so simple that it almost disappeared We tried different forms of prayer but we seemed to be reaching a dead end Throughout all of this we were never told that our prayer was developing naturally and positively What we were experiencing was not a dead end but the threshold of a new way of prayer What we needed was an experienced guide to show us the road ahead Enter John of the Cross He encourages us to see that the place we came to is a necessary state of our progress in prayer John teaches us that we come to contemplation not by struggling harder to pray but by calming remaining quiet before God He encourages us to realize that we have not come to the end of the road but are being made ready to be transported on a wonderful journey There is no better or more encouraging guide for us on this journey than John of the Cross The entire focus of this book is quite narrow it concentrates on John s teaching about the beginning of contemplation
