Practised Deceiver:

PRACTISED DECEIVER Susanne McCarthy, Shion Hanyu, 2016-10-28 Model Alysha has been selected to become the face of a major cosmetics company's new campaign. When it turns out that the campaign's renowned photographer is Ross, she is forced to confront an unpleasant memory from five years ago. Back then, Alysha was a country girl who longed to be a supermodel; she barged into Ross's studio and bribed him into doing a camera test for her, but the price was steep and continues to haunt Alysha. After that humiliating first meeting, why on earth would Ross choose to work with her now?

Body parts have been found at Surgeons Hall, and they're not anatomy specimens. Dr Will Raven is able to identify a prime suspect, but the individual he seeks happens to be an accomplished actor, a man of a thousand faces and a renowned master of disguise. Meanwhile, mesmerism, spiritualism, and other unexplained phenomena are taking hold of hearts and minds. Frustrated in her own medical ambitions, Sarah Fisher sees opportunity in a new therapeutic field not already closed off to women. With the lines between science and spectacle dangerously blurred, the stage is set for a grand and deadly illusion.
