Praise In The Presence Of God:

God's Praise and God's Presence Gabriele G. Braun, 2020-06-19 The main aim of this book is to provide an answer to the question is there a connection between God s people s praise and God s presence The central argument is that Scripture in both Testaments testifies to a correlation between human praise and divine presence This hypothesis has been investigated in the light of contemporary Christian worship culture and the ensuing need for further biblical studies which represents the background for this investigation The study achieves the above aim by applying biblical theology as a discipline and canonical and intertextual models as a method **Praise** Maurice Bassali, 2005-10 Bassali gently inspires readers to appreciate and adore the Lord in every situation even in the midst of pain heartache and disappointment A deeper intimacy with God a greater love for Him and a heartfelt desire to praise and thank him will be the sure reward *In the Presence of God* Dr. Creflo Dollar, 2009-02-28 Through insightful teaching and an intense focus on God s Word Dr Creflo A Dollar will help readers discover the keys to living in God s presence where all answers are found *The Presence of God* Ese Duke, 2021-11-15 Do you want to experience a supernatural reality you ve never experienced Do you want to move in a dimension of the supernatural you see others move in or you only imagined Do you want to experience God s highest dimension in your human existence In *The Presence of God* author Ese Duke shows you how to engage the supernatural in your humanity and thereby walk and manifest God s presence wherever you are This guide takes you to a place of supernatural living beyond your imagination a reality that God desires all of us to experience yet only a few have and do When you understand how to live out of the presence of God everything becomes easy In *The Presence of God* you will learn what God s presence is how to live out of his presence making the realities of the presence of God become manifested in your everyday life how to manifest God s presence even on demand and how to engage the spirit realm and get results Get ready to move to the highest dimension of the supernatural in your life *Experience the Presence of God* Fred M. Jensen, 2009-04 Whatever happened to the presence of God in the American church The church has settled for the status quo rather than the supernatural God s Church is dealing with considerable spiritual lethargy and superciliousness Man has been doing church his way long enough and now it is time that the Holy Spirit be the administrator and director of His church God has the perfect plan for His house The author presents an urgent and no compromise appeal for a return to the manifested presence of God The author also gives the diagnosis and prescriptive treatment for the spiritual decline of the church This book introduces Biblical principles and not man s strategies that will cause a full restoration to the presence and glory of God This book is for those that are hungry and thirsty for more of God s presence Fred Jensen was born in 1954 and was raised on Staten Island New York where he was converted to Christ at the young age of eight years old It was here that Fred experienced for the first time the presence of God while attending a prayer meeting with his father Fred is the third generation of Pentecostal ministry He has served as a pastor for 30 years in Massachusetts New Jersey Hawaii and Colorado Fred has a passion for the manifested presence of
