tears and laughter that will endear you to this popular star **Best Regards Freddie** Victor Breedon,2014-07-01 The first twenty years of the twentieth century 1900 1920 In no other twenty years has the world changed so radically commencing in perhaps the very best of times and proceeding through to certainly and suddenly the very worst The story of those years can be told in different ways Freddie Breedon and his modestly middle class British family and friends who would live travel and work and also fight and support during those two decades have allow us with their regular correspondence a unique way During those twenty years some 200 postcards would pass between them to be collected by Freddie Two hundred short episodes two hundred snapshots or sketches with a bit of description from here and there and all over and from different authors when blended together can give us a single picture of this time like no other To enhance our picture and add colour and depth a second form of authentic reportage is used in our story Beverley Moysey was a Canadian soldier who fought in the trenches of the western front in the Great War He kept a diary of vivid and explicit entries of his months there It is presented here in its entirety It will show a very different picture to that seen by Freddie and family Thursday's Child Tracey Friday,2019-06-01 Monday s child is fair of face Tuesday s child is full of grace Wednesday s child is full of woe Thursday s child has far to go Maggie is Thursday s Child a spirited girl growing up in an English country village surrounded by apple orchards and hop fields Neighbours are friends and the local landowner the Squire is a fair decent man to his workers Life could be idyllic if not for the unwelcome intrusion of air raids This is 1941 and WW2 is raging When peacetime is finally declared in 1945 it seems the war is over but through tragic circumstances Maggie realises that war comes in many guises Life changes from one of happy frivolity to loneliness and rejection However the village her friends and a deep fascination with a four penny stamp from a country far away that she has never seen but yearns for all give Maggie the strength to keep moving forward Ultimately Maggie learns the most valuable of lessons to believe in her dreams and in herself
