Prancing Nigger Ronald Firbank, 1924 *Prancing nigger. Race Riots Michael L. Ross, 2006-08-07 From *Black Mischief* to *The Buddha of Suburbia* twentieth century British fiction is rife with racial humour Challenging the common reluctance to take such comedy seriously Michael Ross shows how humour directed at ethnic others exposes deep seated national attitudes *Race Riots* explores the development and implications of racial comedy in British literature from the early twentieth century to the present The Double Dealer, 1923 Impermanent Blackness Korey Garibaldi, 2025-02-04 Revisiting an almost forgotten American interracial literary culture that advanced racial pluralism in the decades before the 1960s In *Impermanent Blackness* Korey Garibaldi explores interracial collaborations in American commercial publishing authors agents and publishers who forged partnerships across racial lines from the 1910s to the 1960s Garibaldi shows how aspiring and established Black authors and editors worked closely with white interlocutors to achieve publishing success often challenging stereotypes and advancing racial pluralism in the process *Impermanent Blackness* explores the complex nature of this almost forgotten period of interracial publishing by examining key developments including the mainstream success of African American authors in the 1930s and 1940s the emergence of multiracial children's literature postwar tensions between supporters of racial cosmopolitanism and of Negro literature and the impact of the Civil Rights and Black Power movements on the legacy of interracial literary culture By the end of the 1960s some literary figures once celebrated for pushing the boundaries of what Black writing could be including the anthologist W S Braithwaite the bestselling novelist Frank Yerby the memoirist Juanita Harrison and others were forgotten or criticized as too white And yet Garibaldi argues these figures at once dreamers and pragmatists have much to teach us about building an inclusive society Revisiting their work from a contemporary perspective Garibaldi breaks new ground in the cultural history of race in the United States **Zora and Langston** Yuval Taylor, 2019-03-26 Finalist for the 2019 Los Angeles Times Book Prize in Biography A complete pleasure to read Lisa Page Washington Post Novelist Zora Neale Hurston and poet Langston Hughes two of America's greatest writers first met in New York City in 1925 Drawn to each other they helped launch a radical journal *Fire* Later meeting by accident in Alabama they became close as they traveled together Hurston interviewing African Americans for folk stories Hughes getting his first taste of the deep South By illuminating their lives work competitiveness and ambitions Yuval Taylor savvily details how their friendship and literary collaborations dead ended in acrimonious accusations *Harlem Renaissance* the late Nathan Irvin Huggins, 2007-05-02 A finalist for the 1972 National Book Award hailed by The New York Times Book Review as brilliant and provocative Nathan Huggins *Harlem Renaissance* was a milestone in the study of African American life and culture Now this classic history is being reissued with

a new foreword by acclaimed biographer Arnold Rampersad As Rampersad notes Harlem Renaissance remains an indispensable guide to the facts and features the puzzles and mysteries of one of the most provocative episodes in African American and American history Indeed Huggins offers a brilliant account of the creative explosion in Harlem during these pivotal years Blending the fields of history literature music psychology and folklore he illuminates the thought and writing of such key figures as Alain Locke James Weldon Johnson and W E B DuBois and provides sharp eyed analyses of the poetry of Claude McKay Countee Cullen and Langston Hughes But the main objective for Huggins throughout the book is always to achieve a better understanding of America as a whole As Huggins himself noted he didn t want Harlem in the 1920s to be the focus of the book so much as a lens through which readers might see how this one moment in time sheds light on the American character and culture not just in Harlem but across the nation He strives throughout to link the work of poets and novelists not only to artists working in other genres and media but also to economic historical and cultural forces in the culture at large This superb reissue of Harlem Renaissance brings to a new generation of readers one of the great works in African American history and indeed a landmark work in the field of American Studies **Deep South** Paul

Theroux,2020-06-11 The acclaimed author of The Great Railway Bazaar takes a revealing journey through the Southern US in a vivid contemporary portrait of rural life Atlanta Journal Constitution Paul Theroux has spent decades roaming the globe and writing of his experiences with remote people and far flung places Now for the first time he turns his attention to a corner of America the Deep South On a winding road trip through Mississippi South Carolina and elsewhere below the Mason Dixon Theroux discovers architectural and artistic wonders incomparable music mouth watering cuisine and also some of the worst schools medical care housing and unemployment rates in the nation Most fascinating of all are Theroux s many encounters with the people who make the South what it is from preachers and mayors to quarry workers and gun show enthusiasts With his astute ear and penetrating mind Theroux once again demonstrates his remarkable gift for getting strangers to reveal themselves in this eye opening excursion into his own country The New York Times Book Review Paul Theroux s latest travel memoir had me at hello Theroux pulls no punches in his quest to understand this overlooked margin of American life Boston Globe

The Doctor Is Sick Anthony Burgess,1997-08-17 Fine sly rich comedy New York Times Book Review Dr Edwin Spindrift a very ordinary lecturer in linguistics has been sent home from Burma with a brain tumor Closer to words than people his sense of reality is further altered by his condition The night before he is to be operated on Spindrift decides shaven headed shirtless and penniless to postpone the surgery by escaping from the hospital Things and people he hardly knew existed outside of his dictionaries swoop down on him as he careens through adventures in nighttime London **Sex and Sensibility in the Novels of Alan Hollinghurst** Mark Mathuray,2017-05-26 Winner of the British Association for Contemporary Literary Studies BACLS 2017 Edited Collection Prize This book is a challenging and engaging collection of original essays on the novels of Alan Hollinghurst Britain s foremost gay writer and the English novel s master stylist The

essays engage the precarious and shifting relationship between sex and literary sensibility in his novels and thus also attempt to establish the parameters of a new critical discourse for future research on Hollinghurst's novel, queer theory and the contemporary literary representations of masculinity and sexuality. By coupling the consideration of Hollinghurst's aesthetics, his sensuously evocative style to an interrogation of the social, political and sexual currents in his texts, the contributors of this collection provide distinctive interpretations of Hollinghurst's novels from Hollinghurst's uncovering of a gay artistic heritage to his re-signification of earlier English literary styles from his engagement with the Symbolist fin de siècle to his critique of aestheticism etc, whilst paying close attention to the formally innovative qualities of his texts.

Bright Young People D. J. Taylor, 2024-07-02. Jampacked and delicious, crammed with a cast of selfish, feckless, darling, talented, almost terminally eccentric, good-looking men and women. Carolyn See, *The Washington Post*. Before the media circus of Britney Spears, Paris Hilton, and our modern obsession with celebrity, there were the Bright Young People, a voraciously pleasure-seeking band of bohemian party givers and blue-blooded socialites who romped through the gossip columns of 1920s London. Evelyn Waugh immortalized their slang, their pranks, and their tragedies in his novels, and over the next half century many from Cecil Beaton to Nancy Mitford and John Betjeman would become household names. But beneath the veneer of hedonism and practical jokes was a tormented generation brought up in the shadow of war. Sparkling talent was too often brought low by alcoholism and addiction. Drawing on the virtuosic and often wrenching writings of the Bright Young People themselves, the biographer and novelist D. J. Taylor has produced an enthralling account of an age of fleeting brilliance. An ultimately elegiac narrative with a surprising amount of intellectual and emotional sympathy. *The New York Times*. Engaging Taylor's skillful reconstruction of the whole hazy time feels like a lasting party favor. NPR. Incisive and richly detailed. *The New York Times Book Review*. A poignant study of the elusive relationship between art and the social world from whence it springs. *The New York Observer*. A splendid social history. By placing generational tensions and tenderness center stage, Taylor gives his book a beating emotional heart. *Los Angeles Times Book Review*. Entertaining and incisive. *The Boston Globe*. Fascinating. *The Wall Street Journal*. Compelling and ultimately touching. *The Guardian*.

The Ruling Passion Christopher Lane, 1995. In *The Ruling Passion*, Christopher Lane examines the relationship between masculinity, homosexual desire, and empire in British colonialist and imperialist fictions at the turn of the twentieth century. Questioning the popular assumption that Britain's empire functioned with symbolic efficiency on sublimated desire, this book presents a counterhistory of the empire's many layers of conflict and ambivalence. Through attentive readings of sexual and political allegory in the work of Kipling, Forster, James, Beer, Boehm, Firbank, and others, and deft use of psychoanalytic theory, *The Ruling Passion* interprets turbulent scenes of masculine identification and pleasure, power and mastery, intimacy and

antagonism By foregrounding the shattering effects of male homosexuality and interracial desire and by insisting on the centrality of unconscious fantasy and the death drive *The Ruling Passion* examines the startling recurrence of colonial failure in narratives of symbolic doubt and ontological crisis Lane argues compellingly that Britain can progress culturally and politically only when it has relinquished its residual fantasies of global mastery Publication Federal Theatre Project (U.S.) Play Bureau,1936 **Eudora Welty, Whiteness, and Race** Harriet Pollack,2013-01-01 Faced with Eudora Welty's preference for the oblique in literary performances some have assumed that Welty was not concerned with issues of race or even that she was perhaps ambivalent toward racism This collection counters those assumptions as it examines Welty's handling of race the color line and Jim Crow segregation and sheds new light on her views about the patterns insensitivities blindness and atrocities of whiteness Contributors to this volume show that Welty addressed whiteness and race in her earliest stories her photography and her first novel *Delta Wedding* In subsequent work including *The Golden Apples* *The Optimist's Daughter* and her memoir *One Writer's Beginnings* she made the color line and white privilege visible revealing the gaping distances between lives lived in shared space but separated by social hierarchy and segregation Even when black characters hover in the margins of her fiction they point readers toward complex lives and the black body is itself full of meaning in her work Several essays suggest that Welty represented race like gender and power as a performance scripted by whiteness Her black characters in particular recognize whiteface and blackface as performances especially comical when white characters are unaware of their role play Eudora Welty *Whiteness and Race* also makes clear that Welty recognized white material advantage and black economic deprivation as part of a cycle of race and poverty in America and that she connected this history to lives on either side of the color line to relationships across it and to an uneasy hierarchy of white classes within the presumed monolith of whiteness Contributors Mae Miller Claxton Susan V Donaldson Julia Eichelberger Sarah Ford Jean C Griffith Rebecca Mark Suzanne Marrs Donnie McMahan David McWhirter Harriet Pollack Keri Watson Patricia Yaeger **The Bookman's Manual** Bessie Graham,1928 *Ronald Firbank* Steven Moore,1996 An annotated Bibliography of secondary Materials 1905 1955 *The American Mercury* Henry Louis Mencken,1924
