Greek Praise Poetry and the Rhetoric of Divinity Felix Johannes Meister,2020 Surveying a large body of Greek and occasionally Roman literature as well as material remains this volume offers the first systematic study of a central motif in the praise of humans in antiquity and explores when how why and to what effect humans are compared to gods in the poetry of archaic and classical Greece

Die Übersetzungen der Elementatio Theologica des Proklos und Ihre Bedeutung für den Proklostext

Hans-Christian Günther, 2007-06-30 The present book presents for the first time a detailed study of selected passages of the most important Georgian translation of a text of Greek philosophy the translation of Proklos *Elementatio Theologica* by the most eminent philosopher of the Georgian middle ages Ioane Petrizi who not only translated Proklos text but also provided it with an extensive commentary The book discusses the paragraphs which are also extant in an Arabic translation of the early 9th century The main scope of the book is to establish the relevance of the Georgian and Arabic translations for the history of the constitution of the text but it provides also important insights in Petrizi's method of translation and the philosophical significance of his commentary *The Origin of Latin Love-Elegy* Archibald A. Day, *Valerius Flaccus, Argonautica, Book VI* Henri J.W. Wijsman, 2017-09-18 In spite of an increased interest over the last ten years in the 1st century AD Roman poet Valerius Flaccus involving the production of several commentaries part of his work *Argonautica* was still lacking a modern commentary This book gives a full philological and literary commentary of the turbulent book VI of the *Argonautica* The Silver Latin author's peculiar phraseology and choice of words is highlighted Where possible the poem is interpreted in the context of the other Silver Latin epic poets Augustan Poetry and the Irrational Philip Hardie, 2016-01-07 The establishment of the Augustan regime presents itself as the assertion of order and rationality in the political ideological and artistic spheres after the disorder and madness of the civil wars of the late Republic But the classical Apollonian poetry of the Augustan period is fascinated by the irrational in both the public and private spheres There is a vivid memory of the political and military furor that destroyed the Republic and also an anxiety that furor may resurface that the repressed may return Epic and elegy are both obsessed with erotic madness Dido experiences in her very public role the disabling effects of love that are both lamented and celebrated by the love elegists Didactic especially the Georgics and the related Horatian exercises in satire and epistle offer programmes for constructing rational order in the natural political and psychological worlds but at best contain uneasily an ever present threat of confusion and backsliding and for the most part fall short of the austere standards of rational exposition set by Lucretius Dionysus and the Dionysiac enjoy a prominence in Augustan poetry and art that goes well beyond the merely ornamental The person of the emperor Augustus himself tests the limits of rational categorization Augustan Poetry and the Irrational contains contributions by some of the leading experts of the Augustan period as well as a number of younger scholars An introduction which surveys the field as a whole is followed by chapters that examine the manifestations of the irrational in a range of Augustan poets including Virgil Horace Ovid and the love elegists and also explore elements of post classical reception *The Visigoths in Gaul and Spain A.D. 418-711* Alberto Ferreiro, 2023-11-27 Sexti Properti Elegi S. J. Heyworth, 2007-12-13 Propertius is a poet of the Augustan period a successor of the great Hellenistic elegiac poets Callimachus and Philotas and a precursor of Ovid His account of his fictionalized affair with his beloved alter ego Cynthia is the purest expression of the spirit of love elegy setting them as a pair

against war epic and apparently Augustus himself The treatment of their love is tender and at times delightfully macabre in pursuing their love beyond the grave This is a text read by virtually all students of Classical Latin and it is now available in a radical new edition more readable and based on the latest research into the manuscript tradition This is fully explained in the English preface which also contains important comments on the way texts are edited and read Some significant emendations discovered in the papers of A E Housman are published here for the first time Martial, Book IV Rosario Moreno

Soldevila,2017-07-31 This volume is the first comprehensive commentary on the fourth book of Martial's epigrams The introduction discusses its date of publication major themes Domitian literature death the arrangement and form of the epigrams and some issues concerning the transmission of the text Of special note is the author's study of the structure of the book The commentary preceded by the Latin critical text and an English translation aims to provide readers with as much pertinent information as possible to enable them to fully comprehend the epigrams Attention is paid to style and literary tradition as well as to realia Both each individual epigram and the book as a whole are studied as finely accomplished works of art **Noch einmal zu...** Annette Harder,Remco Regtuit,Peter Stork,Gerry Wakker,2017-09-18 This volume contains the

collected articles of the Groningen Professor of Ancient Greek Stefan Radt and a survey of his publications These articles which show great philological acumen are of considerable importance for the study of ancient Greek literature and linguistics This collection of distinguished papers will prove a valuable and useful acquisition for libraries and students of ancient Greek

Cynthia S. J. Heyworth,2007-11-23 Propertius is a poet of the Augustan period a successor of the great Hellenistic elegiac poets Callimachus and Philotas and a precursor of Ovid His account of his fictionalized affair with his beloved alter ego Cynthia is the purest expression of the spirit of love elegy setting them as a pair against war epic and apparently Augustus himself This is an author read by virtually all students of Classical Latin Cynthia provides a lucid attempt to understand and correct the many difficulties in the transmitted text It consists of a commentary on the whole corpus together with a prose translation including alternative versions of ambiguous phrasing In its clear exposition of technical problems the book will serve as an introduction to Latin textual criticism in the modern age and to elegiac poetic style Classics Pamphlet

Collection ,1834 **Propertius: Elegies Book IV** Propertius,2006-08-31 Up to date commentary with introduction and new text on this important work of Latin poetry **Annaeana Tragica** John Fitch,2017-08-28 This volume is a companion to the

author's new Loeb edition of Seneca's tragedies vol 1 2002 vol 2 2004 It offers reasons for his editorial choices and explains his interpretations of the text as reflected in his translation Hercules Oetanus and Octavia now generally regarded as imitations of Senecan drama are both included The volume is intended to be read alongside Otto Zwierlein's Kritische Kommentar published in 1986 In the intervening years there has been much new work pertaining to Seneca's text including full scale editions with commentary on individual plays such as Keulen's Troades Tchterle's Oedipus and Ferri's Octavia Annaeana Tragica seeks to supplement and advance Zwierlein's work in the light of this new material An appendix reviews

the scholarly controversy concerning the anapaestic odes of these plays and offers fresh evidence relevant to the issue

Quaestiones Propertianae Introduction

In the digital age, access to information has become easier than ever before. The ability to download Quaestiones Propertianae has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Quaestiones Propertianae has opened up a world of possibilities. Downloading Quaestiones Propertianae provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Quaestiones Propertianae has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Quaestiones Propertianae. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Quaestiones Propertianae. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Quaestiones Propertianae, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Quaestiones Propertianae has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.
