Sculpture and Painting Art Institute of Chicago, 1896 Sculpting the Heart Joyce White, 2008 Most believe out there somewhere above the clouds past the moon and stars is a world of joy love imagination and creativity Down here on the third rock from the Sun that is our genius too and we must not be talked out of it I am a nonartist and writer searching joy through creative self expression My story is kind of a walk through my mind while I m writing and creating I am not a doctor or psychologist Though it was never my original intent when I began studying Art Therapy my concern quite naturally turned from the idea of me feeling good to you feeling good Art Therapy uses the creative process of art making to improve and enhance the physical mental and emotional well being of individuals of all ages Expressing ourselves creatively does more than bring us joy It is just plain good medicine It helps us resolve inner conflicts reduce stress increase self esteem and self awareness Even Jesus reminds us if you bring forth what is within you what you bring forth will save you What you do not bring forth from within will ultimately destroy you I personally believe being happily engaged in writing and art making is better than and secondly living
