*Maritime History at the Crossroads*  
Frank Broeze, 2017-10-18 This volume seeks to critically review the contemporary state of maritime historiography as it stands at the volume's publication date of 1995 The volume is comprised of thirteen essays each focused on the recent research into the maritime concerns of a particular geographical location listed as follows Australia Canada China Denmark Germany Greece Ibero America India the Netherlands the Ottoman Empire Spain the United States and a final chapter concerning historians and maritime labour in Britain Australia and New Zealand One concern made evident by the collection is the lack of stable identity and cohesive aims within maritime history the subject holds many conflicting definitions and concepts The purpose of this volume is to explore the recent developments in maritime history plus the growth of scholarly interest to provide a beacon and stimulus for future work and to clearly direct and define maritime historiography toward a solid position in the field of history

*Indian Ocean Region* Manoj Gupta, 2010-08-09 It is a privilege to introduce the reader to this book as I believe that it will make a significant contribution to given the difficulties in the knowledge of the Indian Ocean developing cooperation in the Indian Ocean region There have been numerous failed efforts at regional cooperation in different fora in the Indian Ocean As a result of the land based orientation of the people in the region the importance for countries to develop the power to govern the sea has largely been ignored The maritime approach taken by Manoj Gupta to the Indian Ocean as a region in international relations offers a timely and critical assessment of the potential for regional cooperation and ocean governance The political leadership in the region can no longer ignore the need for cooperation in maritime affairs in the Indian Ocean This book enriches the literature on Indian Ocean issues as it argues convincingly that the security of nations economic well being of the people and health of the Indian Ocean cannot be divested from one another All are fundamentally dependant on the ability of the countries in the region to individually and collectively exert the power

to govern the sea      *Ocean Politics and Policy* Peter J. Jacques, Zachary A. Smith, 2003-04-15 A sweeping overview of the problems politics and policies of international and domestic management of the world's oceans The world ocean is one of the most important global resources Without it most life on earth would not survive because the ocean provides temperature regulation and produces oxygen among other vital functions However this life sustaining resource faces dangerous threats from over fishing industrial wastes oil pollution and loss of biodiversity Ocean Politics and Policy covers the major types of pollution deep sea bed mining international jurisdictional disputes and piracy examining the underlying reasons for these problems and providing practical policy suggestions for reducing their impact Special focus is placed on historical and contemporary ocean laws from the concept of freedom of the seas to the 2001 Fishery Stock Agreement Solving the problems facing the world ocean should be a high priority for the international community and this book provides a starting place for this process      New York Magazine ,1994-07-11 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      *Sea Power* Admiral James Stavridis, USN, 2018-06-05 From one of the most admired admirals of his generation and the only admiral to serve as Supreme Allied Commander at NATO comes a remarkable voyage through all of the world's most important bodies of water providing the story of naval power as a driver of human history and a crucial element in our current geopolitical path From the time of the Greeks and the Persians clashing in the Mediterranean sea power has determined world power To an extent that is often underappreciated it still does No one understands this better than Admiral Jim Stavridis In *Sea Power* Admiral Stavridis takes us with him on a tour of the world's oceans from the admiral's chair showing us how the geography of the oceans has shaped the destiny of nations and how naval power has in a real sense made the world we live in today and will shape the world we live in tomorrow Not least *Sea Power* is marvelous naval history giving us fresh insight into great naval engagements from the battles of Salamis and Lepanto through to Trafalgar the Battle of the Atlantic and submarine conflicts of the Cold War It is also a keen eyed reckoning with the likely sites of our next major naval conflicts particularly the Arctic Ocean Eastern Mediterranean and the South China Sea Finally *Sea Power* steps back to take a holistic view of the plagues to our oceans that are best seen that way from piracy to pollution When most of us look at a globe we focus on the shape of the of the seven continents Admiral Stavridis sees the shapes of the seven seas After reading *Sea Power* you will too Not since Alfred Thayer Mahan's legendary *The Influence of Sea Power upon History* have we had such a powerful reckoning with this vital subject      ArtCenter Talks: The First Decade Stan Douglas, 2017-02-28 This collection of never before published talks at one of the leading art schools in the United States documents an exciting decade in the development of contemporary art and arts education featuring interviews with renowned artists curators and writers
