moonlight that lay upon it The glory over it was so mighty in its peacefulness that the wild element beneath was afraid to toss itself even with the motions of its natural unrest The moon was like the face of a saint before which the stormy people has grown dumb The rocks stood up solid and dark in the universal aether and the pulse of the ocean throbbed against them with a lapping gush soft as the voice of a passionate child soothed into shame of its vanished petulance But the sky was the glory Although no breath moved below there was a gentle wind abroad in the upper regions The air was full of masses of cloud the vanishing fragments of the one great vapour which had been pouring down in rain the most of the day These masses were all setting with one steady motion eastward into the abysses of space now obscuring the fair moon now solemnly sweeping away from before her As they departed out shone her marvellous radiance as calm as ever It was plain that she knew nothing of what we called her covering her obscuration the dimming of her glory. She had been busy all the time weaving her lovely opaline damask on the other side of the mass in which we said she was swallowed up The Seaboard Parish, Complete George MacDonald, 2005 The Seaboard Parish George MacDonald, 2018-01-18 Excerpt from The Seaboard Parish A Sequel to Annals of a Quiet Neighbourhood Less take the Shape of a sermon and if you had not by this time learned at least to bear with my oddities you would not have wanted any more of my teaching And indeed I did not think you would want any more I thought I had bidden you farewell But I am seated once again at my writing table to write for you with a strange feeling however that I am in the heart of some curious rather awful acoustic contrivance by means of which the words which I have a habit of whispering over to myself as I write them are heard aloud by multitudes of people whom I cannot see or hear I will favour the fancy that by a sense of your presence I may speak the more truly as man to man About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
