**In Search of Freedom** Willie V. Bryan, 2006 This updated and expanded new edition continues the theme of the first edition of emphasizing the struggles in which persons with disabilities have engaged the barriers they have had to overcome and the barriers they continue to face in their quest to obtain freedom A major point is that disabilities are a part of life and everyone has limitations therefore persons with disabilities should be treated the same as any other human The disability rights movement and its role in placing the demands of persons with disabilities before American society are discussed Legislative action that impacted persons with disabilities is traced through the Americans with Disabilities Act The impact of attitudes self concept and self esteem are explored as well as the family s role in assisting persons with disabilities in their search for freedom Intervention strategies are also discussed including the actions that are needed before persons with disabilities can be truly free Although significant progress has been made the laws mentioned in this book as well as other unmentioned laws can do only so much with regard to helping people with disabilities Given this reality it is imperative that persons with disabilities make the American public aware of the inequities that still exist The search for freedom must continue and the search should be inspired and led by persons with disabilities Consequently this second edition deals with both the needs of persons with disabilities and the actions they must take to attain their freedoms Publisher s website

*Building Modern Antiquity* Georgia Giannakopoulou, 2024-11-29 This book considers post 19th century Athens as a unique instance of a secret side of metropolitan capitalism With a focus on modern antiquity as the hidden element of the dialectic between the past and the present it suggests that the sociological study of one of the great European capital cities a city not intended as a modern capital and its architectural representations may expose part of the veiled processes of the reconstruction of the past thus shedding light on the abuse of antiquity for the celebration of European capitalist metropolitan modernity From the glorious white marble cityscape of the 19th century that aimed at re enchanting metropolitan modernity to the inglorious grey reinforced concrete 21st century metropolis modern Athens exposes the battle between the modern and a modern image of antiquity a false socially constructed historiography born of the dialectics between the ancient and the modern the new and the old collective memory and collective forgetting As such *The Building of a Modern Antiquity* will appeal to scholars of

sociology with interests in social and critical theory urban studies sociology of architecture and visual sociology
