being he can understand the supreme spiritual being Krishna and the real happiness exchanged between Krishna and one self SB 7 13 29      From Mind to Super-mind Rohit Mehta,1972 The message of the Gita has an important and a practical bearing on the problems of the modern age It shows a way out of the complexities of the mind to complete and unfettered freedom of the Super Mind This path is not meant only for the few it can be trodden by all who seek freedom from life s entanglements In an age where the individual is becoming more and more insignificant due to the impacts of political economic and social forces the Gita brings to man a message of hope and cheer for it shows a way of life which leads to the regaining of his lost significance and the spiritual regeneration of man is indeed the way to the creation of a happy society
